Astronauts In Final Training Before Blastoff

CAPE KENNEDY, Fla. (AP) — Relaxed after a July 4th weekend with their families, the Apollo 11 astronauts today begin their final days of training for next week's blastoff toward a landing on the moon.

Neil A. Armstrong, Edwin E. Aldrin Jr., and Michael Collins planned a full day of sharpening skills in trainer spacecraft at Cape Kennedy following an early morning flight from their Houston, Tex., homes.

The three moonmen spent the holiday with their families near the Manned Spacecraft Center at Houston discussing the dangers of landing on the moon.

"They want to know every detail of what we're going to do and how we're going to do it," Armstrong said in an interview.

Aldrin said his wife Joan "perhaps has more concern for my peace of mind than for any danger that might befall me."

Collins, who will orbit the moon alone and act as life guard for his two colleagues exploring below, said his three children—Kathleen 10, Ann 7, and Michael 6—"are really too young to appreciate the implications of this flight."

At the launch pad, crews today planned to check for leaks on spacecraft engines. Sunday, they finished repainting the outside of the Saturn 5's upper stage after the old coating—needed to protect supercold fuel from the sun—was found to be peeling.

Apollo 11 is to blast off at 9:32 a.m. EDT July 16, with Armstrong and Aldrin landing on the moon July 20. The next day, Armstrong is to leave the lunar module landing craft and make man's first step on the lunar crust.

U.P. Cyclist's Injuries Fatal

By The Associated Press
A South Bend, Ind., woman died late Sunday night in a two-car accident in Cass County as the Michigan traffic death toll reached 30 for the long Fourth of July weekend.

Dead was Deiliah Pettit, 38, a passenger in a car involved in the accident on M 60.

The 1969 toll of 30 is seven more than the 1968 total for a four-day weekend and four less than the death toll for the recent three-day Memorial Day weekend.

The Associated Press count of traffic fatalities began at 6 p.m. Thursday and ended at midnight Sunday.

State Police said a complete analysis of the accident figures has not been made, but indications are that better weather this year saw more cars take to the road than last year, accounting for the increased death toll.

Only three multi-fatality accidents were reported.

The accident victims included:

Herbert Lawson, 19, of Pontiac, and Leslie Green, 19, of Birmingham, killed in a one-car accident in rural Marquette County Friday night.

Roger Cavanaugh, 21, of L'Anse, whose car ran into a steel guardrail in the Upper Peninsula's Baraga County Saturday.

Robert Duane Johnson, 22, of Bessemer, who died Sunday of injuries suffered when his motorcycle ran into trees in Gogebic County's Ironwood Township, and he wandered in a dazed condition for several hours.

Weather

ESCANABA AND VICINITY.—Partly cloudy today and tonight. Not so cool tonight. High today about 66 and low tonight near 54. Tuesday mostly cloudy and cool. Chance of rain. High around 70. Wednesday's outlook: showers. The highest temperature yesterday was 63 and the overnight low was 50. Winds east to southeast 5 to 15 mph. Probabilities of precipitation: 5 per cent today, 10 per cent tonight, 30 per cent Tuesday.

Sun sets today at 8:40 p.m., and rises Tuesday at 5:07 a.m. Upper Peninsula — Partly cloudy this afternoon and tonight. Highs this afternoon 65 to 70. Lows tonight 45 to 53. Mostly cloudy Tuesday, with a chance of showers by afternoon or evening. Highs 66 to 72.

Today's Chuckle

Anything you tell a woman goes in one ear and over the back fence.

ASTRONAUT NEIL ARMSTRONG, left, the first man scheduled to walk on the moon, displays a plaque that will be attached to a landing leg of the lunar module descent stage and will be left on the moon by the Apollo 11 astronauts. In center, Col. E. "Buzz" Aldrin holds the Apollo 11 insignia at Saturday's news conference at the Space Center. Command Module pilot Lt. Col. Michael Collins is at right. (AP Wirephoto)

Rocky Ends Tour; New Policy Coming

NEW YORK (AP) — Gov. Nelson A. Rockefeller completed a 38,731-mile Latin-American survey for the Nixon administration Sunday and is expected to give the President his recommendations on a new policy next month.

Informants said President Nixon may unveil a new policy during a Latin-American economic conference in October.

The Rockefeller report will cover impressions and opinions gathered by the New York governor and 25 experts accompanying him to 20 nations, ranging from Brazil, larger than the continental United States, to the microstate of Barbados, smaller than the city of Los Angeles.

The mission skipped four Latin countries—Cuba, which has no relations with the United States; and Peru, Chile and Venezuela, which asked Rockefeller to postpone or cancel stops there because of volatile internal conditions.

Many Deaths
Rockefeller suffered hostilities, demonstrations, bombings, gunfights and acts of terrorism. Eight persons were killed during his tour, but most

584 Killed In Holiday Traffic

By The Associated Press
Traffic accidents killed 584 persons over the holiday weekend, more than on any other three-day Fourth of July holiday period.

The death toll surpassed the old three-day record of 576, set in 1966. It fell far short of the all-time Fourth of July record of 732, set in 1967 when the holiday was four days long.

An associated Press survey taken two weeks ago on a non-holiday weekend counted 435 traffic fatalities.

Last weekend's count, which extended from 6 p.m. Thursday to midnight Sunday, confirmed the National Safety Council's prediction that between 550 and 650 would die on the highways.

Commuter Plane Crashes, Kills 14

MONROE, Ga. (AP) — A twin-engine Air South commuter airplane with 14 persons aboard crashed and exploded in a swampy area Sunday night and there were no known survivors, the Federal Aviation Agency said today.

FAA Duty Officer George Collier said the plane was on an instrument flight when it crashed about 9:20 p.m. about five miles west of Monroe. The plane, flight 168, had left Atlanta 28 minutes earlier.

Robert Dick, vice president of Air South, said the plane was on a regularly scheduled flight from Atlanta to Greenville, Spartanburg and Sumter, S.C. It carried 12 passengers in addition to the pilot and co-pilot, he said.

The plane was a twin-engine turbojet Beechcraft known as a Beech 99 airliner with a capacity of 17 persons, Dick said. He added the plane was less than a year old.

"We have no idea what hap-

pened," Dick said. "I'd hesitate to say one way or the other. This is our first accident."

Walton County Sheriff Franklin Thornton said the plane crashed in good weather with clear skies and no wind. He said it struck about 20 feet from an abandoned house but the house was not destroyed.

"It just covered the top with debris," the sheriff said. Thornton said wreckage was scattered over an acre and a half and that there were only small pieces left of the aircraft.

There were no witnesses to the accident but the sheriff said residents heard the plane just before it struck the ground in a pasture.

"It was running terribly low and the engines were wide open," the sheriff said. The sheriff said the airplane did not burn although there was fuel spilled on the ground.

"It looked like to me it exploded from the inside," the sheriff said. He described the wreckage as "bolts and nuts."

Blame Placed
Two members of Rockefeller's advisory staff said Latin Americans were partly to blame for the alliance's shortcomings. They said many Latin nations reacted too slowly or not at all to creating complementary planning and development boards to see alliance projects through.

But at the same time the Rockefeller mission provided clear indications that the new policy will incorporate some, if not most of the alliance's principles and objectives.

Rockefeller started his tour critical of the Kennedy program for Latin America, but he appreciably altered his statements toward the end.

"The objectives of the alliance have been accepted universally in almost all countries

N.Y., Moscow Air Service Good

NEW YORK (AP) — The Soviet airline, Aeroflot, has carried more passengers in the first year of direct air travel between New York and Moscow than Pan American World Airways. But both lines say they are satisfied with the results.

Aeroflot estimated its one-year haul at 10,000 passengers from New York to Sheremetevo, the airport outside Moscow. Pan Am said it had carried about 6,000.

The Kikuyu, largest and most powerful tribe in Kenya, are led by President Joseph Kenyatta. The Luos had been led by Mboya, 38, minister of planning and economic development.

A Kikuyu who came to Mboya's house to view the open coffin was attacked by part of the wailing crowd of Luo mourners. When police tried to intervene, a stone-throwing mob forced them to leave the grounds.

Broken Up
Tribal disturbances in two other cities were quickly broken up by police. Two persons were reported injured and seven arrested in one clash.

Every available policeman was on duty throughout the country with an officer posted at every street corner in Nairobi, as the police pressed their nationwide hunt for the man who killed Mboya as he left a pharmacy in downtown Nairobi Saturday.

A police spokesman said there was "nothing new to report on our investigation." He was unable to give a description of Mboya's attacker or the car in which he fled.

Requiem Mass
Mboya was a popular politician both at home and throughout the world where he often represented Kenya at conferences. He lectured in New York last March.

A Requiem Mass for Mboya will be celebrated Tuesday by

as very interesting and important goals for peoples of American countries," he told one news conference.

"There have been frustrations because we could not fulfill the promises, and therefore what is important is to analyze why it was so and how we can change things so as to advance in fulfillment of these objectives."

Recommendations
Rockefeller's recommendations are expected to cover, among other things:

1. Protectionist U.S. trade policies that Latin Americans claim are curbing their export potential.

2. Elimination of conditions to U.S. aid, such as the requirement that aid funds be spent in the United States. The governor said these conditions amounted to a subsidy for U.S. exports.

3. The drain on Latin-American foreign exchange reserves through unfavorable trade balances and loan repayments. Brazil alone will pay \$500 million this year in principal and interest on foreign debts. This is almost as much as the U.S. has apportioned in aid funds for Latin America this year.

Tribesmen Clash Over Assassination

NAIROBI (AP) — Small clashes between Luo and Kikuyu tribesmen flared Sunday in the wake of Tom Mboya's assassination and a government minister warned tribal warfare threatens Kenya.

Finance Minister Odera Jowi, who became the leading Luo in government with Mboya's death, said: "This is a tribal situation. We are going to have to fight hard to contain it. We have made appeals to our people for calm and order."

The Kikuyu, largest and most powerful tribe in Kenya, are led by President Joseph Kenyatta. The Luos had been led by Mboya, 38, minister of planning and economic development.

A Kikuyu who came to Mboya's house to view the open coffin was attacked by part of the wailing crowd of Luo mourners. When police tried to intervene, a stone-throwing mob forced them to leave the grounds.

Laborer Held Suspect In Ann Arbor Slaying

Viet Cong Launches First Ground Attack In Week

SAIGON (AP) — Viet Cong forces today launched their first ground attack in a week, blasting their way into a U.S. military headquarters with grenades and dynamite bombs.

The attack 120 miles northeast of Saigon killed six Americans and wounded 18. U.S. headquarters said "damage to material within the camp was moderate," but field reports said three or four armored personnel carriers were blown up and destroyed and at least one was damaged.

The only known enemy casualties were two soldiers found inside the district headquarters, a spokesman said.

Isolated Attack

U.S. headquarters said it was the first enemy initiated attack in which five or more Americans were killed since June 20. But a spokesman said "I don't read anything into it. It's an isolated attack in an area that has been usually quiet. The enemy decided to go when they had a target of opportunity."

The sources said the Viet Cong are preparing for another three-point campaign scheduled for late July—increased terrorism linked with stepped up battlefield activity, propagandizing and creating "general disturbances."

South Vietnamese headquarters reported Viet Cong terrorists set off a bomb in a theater in Can Tho City in the Mekong Delta, 76 miles southwest of Saigon, killed one Vietnamese child and another civilian and wounded 36 government soldiers and 27 civilians.

Chopper Lost

U.S. headquarters reported an Air Force F100 fighter-bomber and an Army OH6 light observation helicopter were shot down by enemy gunners over the weekend. One American was

wounded. It raised to 2,830 the number of American helicopters and to 2,379 the number of fixed-wing aircraft lost in the war.

The U.S. Command also reported 15 overnight rocket and mortar attacks compared to 43 Sunday. Eight of these were termed significant and five hit U.S. bases, spokesmen said, adding casualties and damage were light over-all.

"We haven't come up with an analysis yet," said a U.S. spokesman. Referring to the 43 shellings Sunday, the heaviest in three weeks, he said there was "no appreciable pattern, no sign of any followup troop movements."

Renew Offensive

Noting that all action was confined to local force Viet Cong guerrillas, the spokesman added: "We had been forecasting a

possible renewed offensive about July 15. Perhaps this was the local forces beginning to prepare for that, but we don't know."

U.S. military analysts say captured enemy documents and prisoners indicate a series of coordinated rocket, mortar and ground attacks might be launched sometime this month by main force North Vietnamese and Viet Cong troops.

Last week war action had dropped to its lowest level in more than a year. But enemy gunners shattered the lull with their 43 rocket and mortar attacks, hit Saigon with two rockets for the first time since June 17, and sank a Nationalist Chinese merchant ship anchored in the Saigon River eight miles outside the capital. The 3,400-ton vessel was hit by a mine.

Woman Dies, 8 Hurt In Crash

MANISTIQUE — One woman was killed and eight persons injured in a two-car head-on collision at 9:05 this morning on U.S. 2 in Thompson Township, about seven miles west of Manistique.

All seven injured are patients at Schoolcraft Memorial Hospital, where they were taken by ambulances.

The victim was identified as Mrs. Raydon Sovia of Chelsea. Trooper John Wilson of the Manistique State Police Post said the driver of the automobile was presumed to be Raydon Sovia, 48. Other passengers were the couple's three

sons, David, 14, Brian, 10, and Kyle, 8.

The Sovia vehicle, traveling east on U.S. 2 apparently made a left turn off U.S. 2 near the Al-O-Ray Cafe and collided head-on with the second car, officers said.

The Driver of the second car has not been determined, but the occupants were identified by hospital personnel as Franklin Steenberg Sr., 58, and Franklin Steenberg Jr., 27, both of Madison Heights, Mich.; Adrian Steenberg, 53, presumably also of Madison Heights, and James Connor, age and address unknown.

State Police are continuing to investigate. A report on the extent of the injuries of the injured persons was not immediately available.

26 Dead From Ohio Storm

CLEVELAND, Ohio (AP) — Twenty-six persons were known dead and at least six missing as a search continued today for victims of weekend storms in northern Ohio and Lake Erie.

Floodwaters were reported receding in nearly all areas. Bodies of five members of a Wooster family missing since Saturday were found Sunday night leaving four others missing in that city. Also missing were a milk truck driver in Ashland County and a Sandusky man swept from a bridge Saturday.

Coast Guard officials said nearly all of 160 holiday boaters still unaccounted for Sunday night were believed safe ashore. The Coast Guard cut its search force from 11 planes and more than 50 vessels to two helicopters and 12 vessels Sunday.

The Vermilion River crested Sunday afternoon after rising 13 feet above flood stage, forcing the evacuation of several hundred persons in Vermilion, a town of 6,000.

In Norwalk, waters reached depths of 15 feet Saturday after a reservoir broke. Still on duty were 150 National Guard troops, enforcing a curfew from 9 p.m. until 5 a.m. for the second night.

The city of 15,000 remained without power or water. In Wooster, where a flash flood hit Saturday, the city was without drinking water. Wooster businesses, factories, and public offices remained closed.

Several other towns throughout northern Ohio reported flooding, water and power shortages and communications difficulties.

Cigs \$6.59 A Lb.

SALINA, Kan. (AP) — A Salina supermarket has posted a sign for customers who complain about the rising cost of groceries:

"If you think beef is high, cigarettes are \$6.59 a pound."

Coed Advised Ex-Con; Studied Other Murders

ANN ARBOR (AP) — A 28-year-old ex-convict was arraigned on a first-degree murder charge today in the shooting death of a University of Michigan coed, the seventh young woman slain in the area in the past two years.

The defendant, Ernest R. Bishop Jr., stood mute at his arraignment, and a plea of innocent was entered in his behalf. A hearing on the charge was scheduled for July 16 in Washtenaw County Circuit Court.

The interrogation began early today, about an hour after four heavily-armed policemen arrest-

UNIVERSITY of Michigan coed Margaret Phillips, 25, of Coopersville, Mich., was found shot in the head and critically wounded in her Ann Arbor apartment early Saturday. She died Sunday without regaining consciousness. Ernest R. Bishop Jr., 28, is being held. The photo of Miss Phillips is from the 1962 Coopersville High School yearbook. (AP Wirephoto)

ed the man as he left his apartment building on Ann Arbor's north side.

Repairman
The man, who is small and thin, had been working in repairing refrigeration units, police said.

Washtenaw County Prosecutor William Delhey identified the man as "Ernest R. Bishop Jr., who sometimes goes by the name of Junior Bishop." He was booked by police on an informal charge of premeditated murder.

Delhey said he would be charged formally in district court today in the death of 25-year-old Margaret Phillips, a graduate student in sociology who wanted to specialize in helping people with "mental disorders."

He said Miss Phillips also had "more than a casual interest" in the six previous slayings and had interviewed several persons on the subject. Two of the killings occurred while Bishop was in prison.

Delhey said it wasn't known whether there was any connection between her death and those of the other six women in the Ann Arbor-Ypsilanti area of southeast Michigan.

Miss Phillips—a slim 5-foot-4 coed—was found clad in blue slacks and a pale blouse by a neighbor and fellow student Judith Rubin, early Saturday morning.

Heard Voice

Miss Rubin, who shared a kitchen with Miss Phillips, reportedly heard the gruff voice of a man and the ensuing shots while hiding behind a door. She reportedly did not see the man.

Miss Phillips was one of two of the slain women who were not abused sexually or raped.

(Please Turn to Page 2, Col. 3)

Runaway Horse Kills Boy, Eight

WINDSOR, Ont. (AP) — Police said Troy Greer, 8, of Warren, Mich., died in hospital Sunday night several hours after being dragged by a runaway horse.

The boy was riding with his father at a stable near Windsor when his pony bolted. He was thrown from the saddle and his foot caught in a stirrup.

Blood Needed For Surgery

Blood will be collected for open heart surgery on two individuals during the visit of the Red Cross Bloodmobile to Delta County this week.

Mrs. Edward C. Olsen, blood procurement chairman, said a request has been made by the regional center for A positive blood for a 4½ year old girl from Kenosha, Wis., and also for a 42-year-old man who will need O positive blood.

Blood for open heart surgery must be collected within 24 hours of the surgery and then trucked to the hospital where it will be used. Mrs. Olsen said, and donors are asked to adhere to the following schedule: A positive — 2:30 to 5 p. m. Wednesday, July 9, in Escanaba; O positive — 10 a. m. to noon Thursday, July 10, in Escanaba.

Persons wishing to donate blood for open heart surgery must meet three requirements: 1, no history of allergies; 2, never have received a blood transfusion; 3, never have been pregnant.

The Bloodmobile will be at the James T. Jones School in Gladstone Tuesday and at the Teamster's Hall in Escanaba Wednesday and Thursday. Appointments for the visit have increased to 64. Mrs. Olsen reported, with 15 scheduled at Gladstone, 31 the first day in Escanaba and 18 Thursday in Escanaba. A total of 216 more donors will be needed to meet Delta County's quota.

Warfare Resumes On Suez Canal Says U Thant

UNITED NATIONS, N.Y. (AP) — Secretary-General U Thant declared today that "open warfare has been resumed" along the Suez Canal cease-fire line and warned that he might have to withdraw the U.N. military observers from the area.

Referring to the staff of 96 observers in the Suez Canal sector, Thant said: "They cannot be expected to serve as what amounts to defenseless targets in a shooting gallery."

In a special report to the council, Thant said increased firing on the observers, "their posts, shelters and equipment, further demonstrates the degree of disregard which now prevails for the Security Council cease-fire in the canal sector."

"It is certainly true to say," Thant added, "that since June 1967 the level of violence in the Middle East has never been higher than it is at present."

Summer Testing Started By School Diagnosticians

The summer testing program conducted by the Delta-Schoolcraft Intermediate School District is testing youngsters who have experienced difficulty in the regular school classroom in hopes that by testing these children the difficulty may be found so help can be offered, according to Richard Olsen, special education director.

Persons involved in the test-

ing program are Vernon Andrews, diagnostician, Ross Barker, diagnostician for Ingham Intermediate School District, Mason.

Andrews joined the staff of the Delta-Schoolcraft District July 1 and will be testing this summer as well as during the following school year. Barker will be with us during the month of July only, Olsen said. Andrews holds a Bachelors

degree and a Masters degree from Central Michigan University majoring in psychology, social science and guidance, and minoring in English. He also holds an educational specialist degree from Western Michigan University in school psychology.

He taught English and psychology at Cassopolis High School from 1962 to 1965 and from 1965 through 1966 he was diagnostician for Berrien Intermediate School District. From 1966 through 1969, he has been the diagnostician for Cass Intermediate School District. During the summers of 1965 through 1968 he served as a clinical psychologist for the Twin City Child Guidance Clinic in St. Joseph. Andrews and his wife and one child will reside in the Wells area.

The summer testing program is being run under the auspices of the Special Education Services of the Intermediate District and is being coordinated by Olsen.

Testing programs will be held in three different locations: the Escanaba Junior High School; the Delta-Schoolcraft Intermediate School District Special Education Building in Gladstone, and the Manistique Public School in Manistique.

This program will run for approximately nine weeks until the end of August, Olsen said.

Andrews will continue testing children in the regular school year as they are referred by local school district teachers, principals and other administrators.

SPEC. 4 Richard D. Konkel, son of Mr. and Mrs. Carl Konkel of Bark River, has been transferred from 551st Trans. Co. to 1st Cav. Combat Air Assault Sq., located at Lai Khen, Vietnam. He will be a door gunner on a helicopter. His transfer was effective June 15.

Car Hits Van, Woman Injured

GLADSTONE—A Manistique woman was reported in fair condition at St. Francis Hospital in Escanaba today after she was injured in a traffic accident Sunday in Gladstone.

Gladstone Police reported Evelyn I. Berwin, 52, of 517 Range St., was the driver of a car which ran into the rear of a moving van owned by Ferguson Moving & Storage Co., Madison City, Ohio when the truck was stopped at the railroad crossing on U.S. 2 and 41 in Gladstone. She was taken to St. Francis by ambulance.

The driver of the truck was not injured, officers said.

The accident remains under investigation.

Gladstone Police also reported that Rico J. Boursaw, 28, Rte. 1, Ensign, was arrested for driving under the influence of intoxicants and also for driving on a suspended license. He will be arraigned in District Court.

Traffic summonses were issued to Donald J. Ingebrigtson, Rte. 1, Gladstone, no operator's license and speeding and Brian J. Boden, 414 Delta Ave., reckless driving.

Grabau Home Gutted By Fire

Lowell J. Grabau narrowly missed serious injury Sunday while escaping from his burning home located at 600 S. 10th in Escanaba.

Grabau singed his hair when he ran downstairs after waking up and finding the house full of flames and smoke, firemen reported. The fire was reported at 8 a. m.

Grabau was alone in the house at the time of the fire, firemen said.

The entire Escanaba Fire Department fought the blaze, and when it was finally brought under control only the shell of the house remained.

Firemen reported that the entire house was gutted, and that the contents were a total loss.

More people get more news from newspapers than all other sources combined.

Prof Shows Up

California Team Frisbee Champs

EAGLE HARBOR (AP) — A California team has successfully defended its title in the 12th international frisbee competition.

The California Masters retained the Julius T. Nachazel Trophy by whipping the local K. L. F. Sweettown Sweathogs 21 to 8 and 21-10 at Eagle Har-

bor in the Upper Peninsula. Two members of the California team won the remaining two events. Ed Headrick of La Canada captured the accuracy throw and his son, Ken Headrick, won the distance throw by tossing a Frisbee about 218 feet.

Eighteen teams were entered in the competition sponsored by the International Frisbee Association and an estimated 3,000 persons watched the competition.

A highlight of the day was the appearance of Julius T. Nachazel, a retired Michigan Technological University professor for whom the trophy is named.

Nachazel showed up for the first time in 12 years. The trophy was named after him after a legend sprang up that he disappeared while searching for a Frisbee which had been thrown too far.

Nachazel told sponsors of the competition that he couldn't understand why anybody even missed him.

Coed Counseled Ex-Con; Studied Other Murders

(Continued From Page One)

The bodies of the other six were either deposited along rural roads or in a cemetery.

She was one of three shot in the head with a .22 caliber gun. Shortly before the late-night arrest, Krasny said police had released an untrue report in their attempt to entrap a suspect.

The false report, which police released Sunday afternoon, was that the girl had mumbled "two words" in her hospital bed. She was in a coma from the shooting until her death.

Asked if the report aided in the investigation, Krasny said "I wouldn't say there was no reaction."

Krasny said Miss Phillips—the salutatorian in her high school class at Coopersville, Mich.—also had "more than a casual interest" in the six murders. He said the girl had taken notes on the subject and had made some interviews.

Her parents, Mr. and Mrs. Harold Phillips, went to Ann Arbor after receiving word of the shooting.

Milwaukee Girl Faces Treatment For Rabies

Dianne Dunn, 18, of Milwaukee, who was bitten by a skunk Friday while visiting a friend's cabin on County Rd. D-6, Escanaba Township, will undergo anti-rabies treatment in Milwaukee, State Police reported.

Troopers said the animal was tested by the State Department of Health, and that it proved to be rabid.

Officers warn that persons should try to avoid small animals, because of the danger involved.

Fourth Of July Winners Listed In City Events

The winners of the Annual Children's Games and Races held on July 4th at Ludington Park were as follows:

FORWARD RUN

Boys Age 5-6 — 1, Mike Baum; 2, Steve Pelouquin; 3, Brian Eden.
Boys Age 7-8 — 1, Rob Anderson; 2, Mike Zimmerman; 3, John LeMire.

Boys Age 9-10 — 1, Scott Glavette; 2, Robert Johnson; 3, Glen Bengry.

Boys Age 11-12 — 1, Howard Saari; 2, Steve Bengry; 3, Jay Hurley.

Girls Age 5-6 — 1, Denby Schneider; 2, Sherry Haddock; 3, Jackie Thibault.

Girls Age 7-8 — 1, Debbie Dye; 2, Debbie Vicenzi; 3, Renee Gross.

Girls Age 9-10 — 1, Amy Alperovitz; 2, Laurie Saari; 3, Roberta Johnson.

Girls Age 11-12 — 1, Karen Gatter; 2, Patty Pelouquin; 3, Lethia Leveille.

BACKWARD RUN

Boys Age 5-6 — 1, Gary Slade; 2, Steve Pelouquin; 3, Paul Smaile.

Boys Age 7-8 — 1, Mike Zimmerman; 2, Tom Stacey; 3, Rob Anderson.

Boys Age 9-10 — 1, Robert Johnson; 2, Harry Gendreau; 3, John Sankovitch.

Boys Age 11-12 — 1, Howard Saari; 2, Pat Dewar; 3, Steve Bengry.

Girls Age 5-6 — 1, Sherry Haddock; 2, Karen Zimmerman; 3, Jackie Thibault.

Girls Age 7-8 — 1, Debbie Dye; 2, Debbie Vicenzi; 3, Renee Gross.

Girls Age 9-10 — 1, Robert Johnson; 2, Amy Alperovitz; 3, Mary Moberg.

Girls Age 11-12 — 1, Debbie Bosma; 2, Patty Thibault; 3, Barb Lee.

PING PONG THROW

Boys Age 5-6 — 1, Scott Majestic; 2, Scott Peterson; 3, Jim Sankovitch.

Boys Age 7-8 — 1, Mark McCreary; 2, Mike Zimmerman; 3, John LeMire.

Milliken Names 40 To Education Reform Group

LANSING (AP) — Gov. William Milliken has named a 40-member citizens advisory group to his Commission on Educational Reform—about equally divided between educators and those with a strong interest in the subject.

The group holds its first meeting Saturday at Lansing. It will be mainly for organizational purposes.

"This group possesses a great deal of experience, knowledge and dedication concerning education," Milliken said.

"We hope it will be an information resource pool to both the commission and its staff as we move through a very busy summer and a final report by Sept. 30."

Named to the group were: Douglas Ward, president, Michigan Education Association; Henry Linne, president, Michigan Federation of Teachers; Morley Webb, president, Michigan Association of School Administrators; Frank Heseltun, president, Michigan Association of School Boards;

PTA Represented
Mrs. Jane Tate, president, Michigan Congress of Parents and Teachers; Harry Hall, president, Michigan State Chamber of Commerce; William Marshall, secretary - treasurer, Michigan State AFL - CIO; Dr. Albert Wheeler, president, Michigan Conference of Branches, NAACP; William Patrick, president, New Detroit, Inc.;

Mrs. Maxine Rose, chairman, Metropolitan Task Force on Education; Dr. Elven Duvall, executive secretary, Michigan Congress of School Administrators; Dr. Gerald DeGraw, president, Michigan Association for Supervision & Curriculum Development; C. Robert Muth, executive secretary, Michigan School Business Officials;

Dr. John Choitz, president, Michigan Lutheran College, Detroit; Mrs. Harriet Phillips, president, CAPE; Dr. Ernest Britton, administrator, Michigan Education Home Association; Dr. Lloyd M. Cofer, professor of administration and higher education, Michigan State University; Dr. Stanley Hecker, MSU professor of education; E.O. Weber, executive, Ford

Motor Co.; James Tenbrink, former superintendent, Muskegon Intermediate Schools; William Emerson, superintendent, Oakland Intermediate Schools; and Dr. William Gould, professor of law, Wayne State law school.

Max Cochran, director of state and federal relations, Flint Public Schools; Dr. E. Dale Kennedy, past - president, Michigan Educational Association; Dr. David Ponitz, president,

Foresters Watch Upper Peninsula Insect Outbreaks

Foresters on the Hiawatha National Forest are keeping close watch of two insects.

The Red Headed Pine Sawfly on the St. Ignace district and the Saratoga Spittlebug on the Rapid River district are building up to epidemic proportions in two red pine plantations, reports Evans E. Lutz Jr., timber staffman.

An egg bunch survey indicates that over 50 per cent of the trees in a 52-acre plantation near St. Ignace are infected with Red Headed Pine Sawfly. Such a population would kill so many trees that the area would have to be replanted. Ten per cent infection indicates control measures are needed.

A 90-acre plantation near the Gladstone golf course is heavily infected with Saratoga Spittlebug, Lutz said. Originally, three plantations totaling 205 acres were seriously infected but natural control has reduced this to one 90-acre plantation. Saratoga Spittlebug is an enemy of young plantations. If it can be controlled until the trees become 15 feet high the damage will only be a nuisance rather than fatal.

Foresters are watching the development of both outbreaks to see if natural control will reduce the populations. If it becomes evident that chemical control is needed, malathion at the rate of 10 ounces per acre will be used. Malathion is a soft pesticide. It breaks down easily and does not persist as DDT does, Lutz said.

Washtenaw Community College; Dr. Alvin D. Loving, professor of education, University of Michigan;

Tuma Included
Rev. Olin J. Murdick, chairman, Michigan Diocesan Superintendents' Committee; Wayne Grimm, director, Chrysler Institute; Carl W. Heikkinen, superintendent, Adrian Public Schools; Mrs. Philip Campbell, Greater Detroit Chamber of Commerce education department;

Mrs. Russell Corbin, taxation and financing education state chairman, League of Women Voters of Michigan; Mrs. Shirley Emerson, housewife, Dearborn; Cedric A. Richner, Jr., Grosse Pointe PTA; Dr. Russell Wilson, UM professor of education; Joseph V. Tuma, chairman, State Advisory Council for Vocational Education; Dr. Stanley E. Dimond, UM professor of education;

Dr. Rolland Strolle, professor of education, Western Michigan University; Milton Thompson, Detroit attorney; Joseph Mengden, senior vice president, First of Michigan Corp.; and Elmer White, executive secretary, of Michigan Press Association.

William Goldi Dies Suddenly

MANISTIQUE—William W. Goldi, 51, 112 S. 2nd St., died suddenly at 3 a.m. Sunday at the Schoolcraft Memorial Hospital shortly after admittance.

He was born Nov. 19, 1917 in Cleveland, Ohio and had resided in Manistique for 25 years, coming here from Garden.

Mr. Goldi was a member of St. Francis de Sales Church and a former member of the National Guard.

He was a former employee of the Hancock Lumber Co. and most recently was employed by the Ruzzin Construction Co. of New Baltimore. He was married to the former Janet Cota, May 13, 1944 in Escanaba.

He is survived by his widow, two sons, William of Troy, Mich. and Michael of Manistique; one daughter, Mrs. Robert (Wanda) Parrish of New Baltimore and three grandchildren.

Friends may call at the Messier - Broulliere Funeral Home after 4:30 p.m. today and liturgical prayers will be recited at 7 p.m. today. Funeral services will be conducted at 10 a.m. Tuesday at St. Francis de Sales Church and burial will be in the New Garden Cemetery.

ACCEPTING A CHALLENGE by members of the school's allstar kick ball league, the teachers have a go at it at the Walter Allen school in Milwaukee. Attempting to kick is Miss Barbara Drollinger.

U.P. To Join Michigan 'Safe Streets' Program

The Upper Peninsula will participate in Michigan's "Safe Streets" program.

Applications for action funds made available under the "Omnibus Crime Control and Safe Streets Act" are now being accepted from local law enforcement agencies throughout Michigan.

Announcement of the opportunity for local participation in the grant program was made by Capt. Robert Bilgen, Michigan State Police, who is serving as chairman of the Upper Peninsula Law Enforcement and Criminal Justice Planning Committee and Howard Pierce of the Upper Peninsula Committee for Area Progress (UPCAP), Planning Director for the Upper Peninsula Law Enforcement and Criminal Justice Planning Committee.

UPCAP has received a grant from the Michigan Commission on Law Enforcement and Criminal Justice to coordinate law enforcement planning activities for the Upper Peninsula.

Under a State plan for law enforcement improvement, approved by the United States Department of Justice on June 30, action funds are available for a wide variety of programs aimed at reducing crime and improving criminal justice services. Units of local government, acting either alone or in combination with other units of government, may apply through the Upper Peninsula

Law Enforcement and Criminal Justice Planning Committee for grants.

As much as \$900,000 will be initially awarded to eligible Michigan applicants by the end of September. Seventy - five per cent of these funds must

be made available to local units of government, rather than to state agencies or private organizations. Applications for the initial grants must be submitted by August 1. Information and assistance for applicants is available from Pierce at UPCAP, 118 N. 22nd St. Escanaba.

Funds are for projects covering the entire field of law enforcement and criminal justice. Program areas include prevention of crime, community relations, organized crime, police services and public protection, administration of justice, corrections, juvenile problems, and research.

Initial grants will be made for projects which come under a 25-item priority list. Many additional project areas have been identified and will be supported with funds to be granted for 1970 and later.

Son Is Born To J. Rockefeller

CHARLESTON, W. Va. (AP) — The father, John D. Rockefeller IV, looked weary, but the grandfather, Sen. Charles H. Percy, was exuberant over the birth Sunday of John Rockefeller.

"They're both just great," said Rockefeller, 32, referring to his new 9 pound, 3½ ounce son, and his 24-year-old wife Sharon. "I'm very proud of both of them."

The grandfather was somewhat more outspoken. "Wow—I saw my grandchild in the nursery and he was so much bigger than all the other babies who were at least four or five days old—he's quite a boy," said Percy, the Republican senator from Illinois.

Rockefeller, West Virginia Secretary of State, said the baby will be called "Jamie" and will have the opportunity of selecting the Rockefeller's middle name, Davison, when he's older. If he does, his name will become John D. Rockefeller V.

Briefly Told

Boy Scout Troop 408 will hold a Court of Honor tonight at 7:30 p. m. in the basement of Bethany Lutheran Church.

St. Joseph's class of 1929 will hold its final reunion meeting on Tuesday, July 8, at 7:30 p.m. at the home of Elaine O'Donnell, 206 N. 15th St. All members are invited and urged to attend to complete plans for the reunion festivities to be held Saturday, July 12, at the Mead Rod and Gun Club.

QUESTION:

What is the responsibility of county government with respect to the control of air pollution?

ANSWER:

Establishment of a policy to safeguard health, safety, welfare, and comfort through the elimination and prevention of air pollution from any source.

Death Penalty?

At a time when public concern about crime in the streets may slow down the movement to abolish capital punishment in the United States, it was encouraging to read an editorial in a recent issue of Life magazine calling for an end to the "eye for an eye" school of justice.

"The arguments against the death penalty remain valid: That executions are unworthy of society and demeaning to all of us and that the judicial process sometimes makes mistakes," the editorial declared. Added to these arguments is another strong argument: That there is no evidence that capital punishment has acted as an effective crime deterrent.

Life points out that "no fewer than 434 prisoners remain on Death Row, many of them kept alive by a series of broad legal challenges to the constitutionality of capital punishment."

Since years of litigation may be necessary before the Supreme Court decides whether to make a revolutionary decision to uphold on constitutional grounds the de facto moratorium on the death penalty, the population on Death Row may continue to grow. If no decision is made, there is the bizarre prospect, says Life, that "U. S. justice may have no choice but to just open the gas chambers again and march 1,000 or so guys in there."

Michigan was the first state to abolish the death penalty. Since then it has been abolished in 13 other states. (More than 70 Western nations also have abolished capital punishment.) Some states in which capital punishment is still legal have not executed a criminal in decades.

Most death penalties are imposed for murder. But some states can execute for rape, kidnapping, armed robbery or treason against the state. In Oklahoma, the death penalty can be imposed for peddling narcotics to minors.

Michigan's senior U. S. Senator, Philip A. Hart, has introduced and reintroduced a bill to abolish the death penalty for all federal crimes.

Pointing out that study after study has shown that the death penalty does not deter or prevent crime, Hart cited the report of the President's Crime Commission, which asked whether the death penalty system represents cruel and unusual punishment, not because of the execution but because of the inevitable long wait in death row.

Hart made an interesting observation in connection with capital punishment. He said a rich man is never found in death row. "The one thing all condemned men have in common is poverty," he remarked.

This contention was supported by Michael DiSalle, former governor of Ohio who is chairman of the National Committee To Abolish the Federal Death Penalty. He said that during the four years he served as governor of Ohio the people who came to him for clemency had no money for an attorney.

DiSalle, who calls capital punishment an exercise in futility, said his committee decided to concentrate its effort on the federal abolition of capital punishment in the hope that once this is done the 36 states that still allow the death penalty will follow the lead of the federal government.

It seems like a move in the right direction.

The Family Lawyer

Share-the-Cost Passengers

"As long as you are doing the driving, let me pay for the gasoline."

Suppose that you, as the driver, accept this kind of an offer from your passenger. Could such an arrangement knock out your liability insurance in case of an accident? After all, liability policies often do say that the driver may not use his car to carry "passengers for hire."

Nevertheless, in a number of cases, courts have held that the insurance coverage is still in effect. They reason that a casual payment by a passenger, just to be sociable, does not really mean he is "hiring" the car.

But suppose the arrangement is somewhat more formal. Take this situation:

A young man heading for a Florida vacation took along three passengers — all of them strangers. Before they started on the journey, he collected from each passenger a flat fee as payment for transportation.

Here, after an accident on the highway, the driver was informed by his insurance company that his liability policy did not protect him.

And, after litigation, the court agreed with the insurance company. The judge said that even though the driver was not a regular "carrier," he had indeed been carrying "passengers for hire" on this occasion.

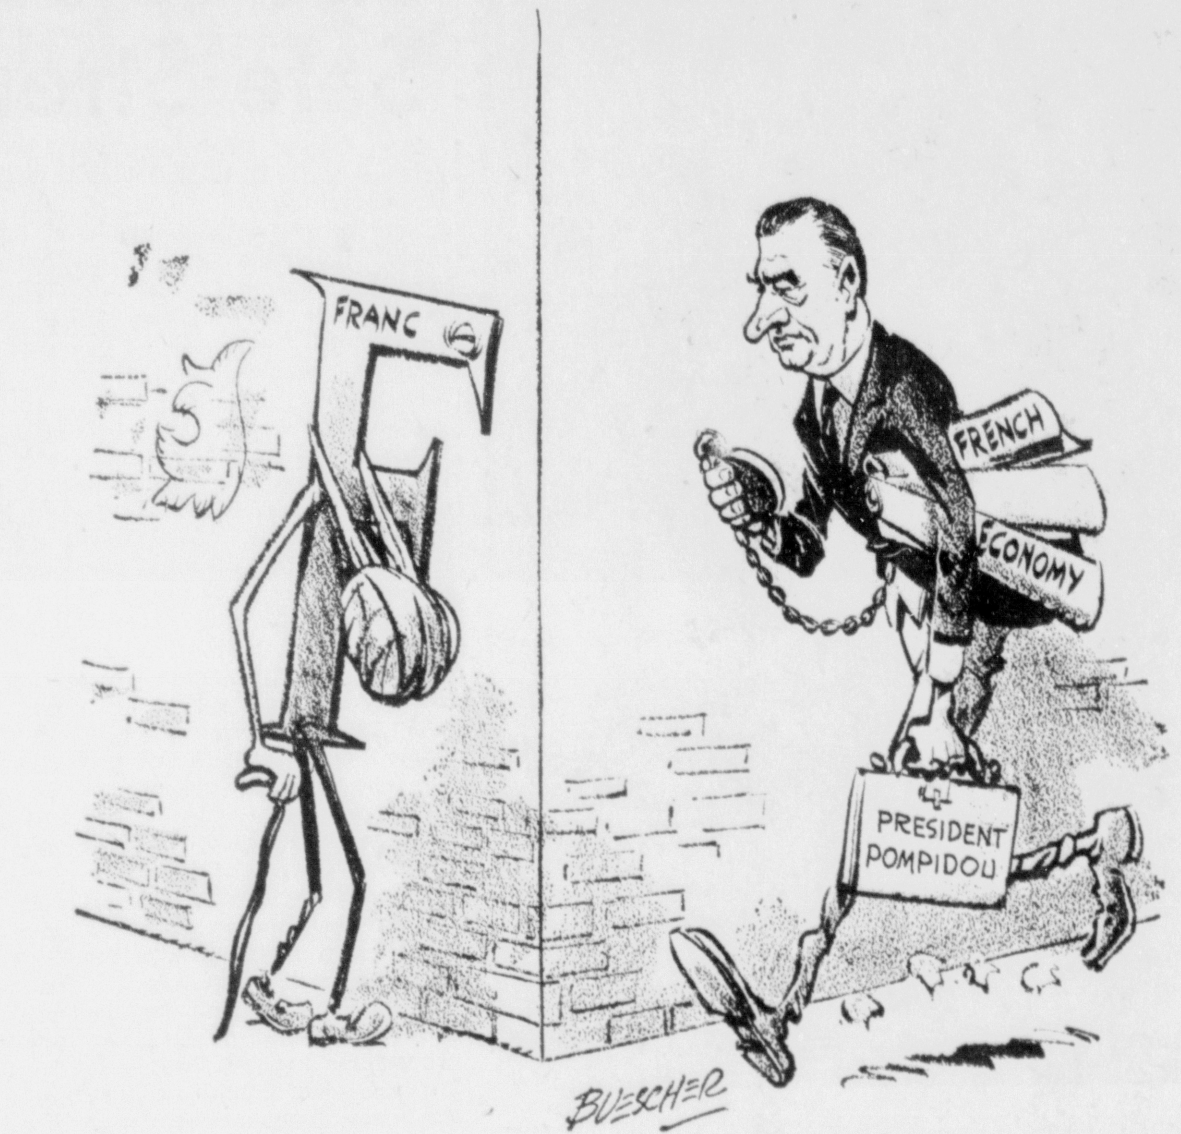

In the final analysis, your insurance coverage will depend on the exact language of your own particular policy. Many modern policies do have a specific provision allowing you to carry — on a share-the-cost basis — such passengers as friends, neighbors, fellow workers, or school children.

Peninsula Potpourri

The statue of justice atop the Alger County courthouse has taken on the mod look. Someone scaled the 100-foot dome and painted a black bikini on the silver figure.

Runways at the Marquette County airport have been marked with a new painting process in an experiment which Ned Patterson, assistant director of the Michigan Aeronautics Commission, Lansing, says will provide a better landing and braking surface for aircraft. Patterson said five white stripes four inches wide separated by four black stripes four inches wide were used instead of the conventional three foot white stripe. He said each spring that a wide white stripe reflects heat instead of absorbing it, causing an uneven landing surface when the thawing process causes the runway to heave. By narrowing the white stripes, he said, "we hope to equalize the thawing process."

ON THE WAY TO HIS OFFICE

Upper Peninsula Fails To Join Medical Gain

Even though Michigan gained 407 registered doctors and 4,600 more nurses in the past year, these increases were not shared by the Upper Peninsula.

Every area of Michigan showed an improvement in both medical and nursing manpower with the exception of the Upper Peninsula which has exactly the same number as in 1968—227 medical doctors and nine osteopathic doctors.

Some Upper Peninsula counties gained doctors while others lost them, but total number registered remained the same, reported the Michigan Health Council.

Marquette, Menominee and Gogebic were the only counties showing an increase in the number of doctors in the past year. Delta and Schoolcraft counties each lost a doctor and declines were also noted in Chippewa, Dickinson, Houghton, Iron and Luce counties.

With a population of 34,000, Delta county has 22 doctors compared to Grand Traverse county in the lower peninsula which has a population of 36,000 and 83 doctors. Even Dickinson county in the Upper Peninsula, with a population of 23,600, has five more doctors than Delta county. Keweenaw county has only one doctor for a population of 2,000.

The greatest step-up was in a Southeastern Michigan county where there was a gain of 132 doctors, 459 registered nurses, 156 licensed practical nurses, and 28 osteopathic doctors.

The Upper Peninsula had no increases in either doctors or osteopaths and the greatest increase in any county in the number of registered nurses was 47 and licensed practical nurses was 26.

While in lower Michigan there is one physician according to section, either to every 773, 833, 982, 946, or 692 people; the Upper Peninsula has only one physician to every 1,292. The greatest deficiency in Upper Michigan is in the lack of osteopaths, the council report

showed. There are still none in Alger, Baraga, Delta, Dickinson, Houghton, Keweenaw, Luce, Marquette, Ontonagon, and Schoolcraft counties.

Dispite the increases in doctors and nurses, there is still a need for about 2,000 more trained medical specialists in Michigan, said James A. Donety of Lansing, Council Executive Director. Several counties have been cooperating with the Health Council by publishing special brochures about medical opportunities in their hospitals and communities to encourage more doctors to come to Michigan.

John A. Doherty of East Lansing, Executive Director of the Michigan Health Council, who supervised the study, concludes: A. More effort must be made to urge Michigan legislators to eliminate the old and no longer necessary basic science examination that has caused a great number of prospective doctors of medicine to go to other states rather than make extra expensive trips to Michigan. Most other states either have not had this requirement or have repealed it.

B. Michigan needs immediately another four-year medical school in outstate Michigan. Both the University of Michigan and Wayne State University are located in Southeastern Michigan, Michigan State University College of Human Medicine has been developing close training ties with community hospitals throughout outstate and upper Michigan, and this would tend to attract more medical students to outstate Michigan and the Upper Peninsula.

C. There is a need to increase the number of entering medical students in Michigan from approximately one to every 25,000 to 30,000 citizens to approximately one to every 15,000 to 18,000. New York, California, Pennsylvania, and other progressive states with good physician-patient ratios have set up their number of entering medical students on the basis

Zipper Celebrates 90th Anniversary

By HAL BOYLE
NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Pedestrians should be particularly alert on wet nights. Their chances of being killed or injured while crossing the street then are 10 times as high as on a sunny day.

Auto theft is the fastest rising crime against property in the United States. More than half a million cars are stolen yearly—averaging one every 48 seconds.

No train has been a greater boon to writers than the Orient Express, which started running between Paris and Istanbul in 1883. One hundred films and 400 short stories and novels have plots based on romances and intrigues aboard this legendary train.

Looking for an unusual excuse for throwing a party? Well, why not a wedding to honor the zipper? This year marks the 90th anniversary of the birth of this indispensable gadget.

Rehab For Senile

It is never too late for health. Even senile patients may be rehabilitated, says Dr. John Brantner, University of Minnesota clinical psychologist, who believes old age is a disability that, like other disabilities, can be recovered from if properly treated.

Ireland is the capital of bachelorhood and spinsterhood. One

out of four persons there never marries.

Quotable notables: "I believe that man will not merely endure: he will prevail. He is immortal, not because he alone among creatures has an inexhaustible voice, but because he has a soul, a spirit capable of compassion and sacrifice and endurance."—William Faulkner.

Laser rays may become a new dental weapon. Dentists are hopeful that glazing teeth with these high-intensity light beams may provide them with a film protective against decay.

Farming Expensive

Worth remembering: "The weaker sex is really the stronger sex because of the weakness of the stronger sex for the weaker sex."

Here's one reason why so few city dwellers try to get away from it all and return to the farm: it now takes about \$75,000 worth of equipment to operate a modern paying farm.

Hope for the hapless: Retarded children were once thought incapable of being helped. It has been found, however, that good institutional or foster home care can raise their intelligence quotients by as much as 14 per cent.

It was Socrates who observed, "No evil can happen to a good man either in life or after death."

of approximately one medical student per 15,000 population.

D. Michigan should provide more funds to promote Michigan nationally as a place where doctors, nurses and other health personnel are desired and needed. Full-page advertisements in national medical journals and student medical journals by the Michigan Health Council have attracted the attention of hundreds of medical students as well as practicing medical doctors and osteopathic physicians.

The doctor situation in Michigan would also be aided greatly should the Vietnam War end in the coming year; however, there is still the demands of the hospitals and communities for 2,000 more medical doctors.

People, Events Of Yesteryears

From the Files of the Escanaba Daily Press

25 Years Ago

Mrs. John Kangas of 511 7th Ave. So., left for Detroit where she will meet her husband who is coming from Indian Town Gap, Pa., where he is stationed.

50 Years Ago

Twenty-nine pupils of Mrs. Cora Hicks Brace who have completed their musical courses, participated in a recital at her home.

Mr. and Mrs. J. J. Mallman will leave today on a motor trip to Green Bay.

Mr. and Mrs. Nels Engberg of Stonington are visiting here.

EXPERIMENT DIDN'T WORK

LONDON (AP) — American and other tourists will no longer be able to use their cameras inside Westminster Abbey unless they have special permission from the Abbey's receiver-general.

During an experimental year they were allowed to take any pictures they liked, but the situation got out of hand when some climbed on seats and monuments. As one Abbey official put it, the interior of the Abbey sometimes looked "like a thunderstorm" from the popping of flash bulbs, and worshippers were disturbed.

Biafra's Food Situation Worse

LONDON (AP) — Foreign Secretary Michael Stewart was expected to urge Nigera Saturday to let land or river corridors be opened quickly for food and medical supplies to reach Biafra.

Qualified sources said Stewart was ready to press this case over lunch at his official country residence, Dorneywood, with Dr. Okoi Arikpo, the Nigerian commissioner for external affairs.

Reports reaching London from Biafra said the situation in the rebel territory is worse than it was last year when up to 6,000 persons a day were dying.

Relief programs have become tangled up in the path of the two-year-old civil war, and mercy flights have been halted in a

dispute between the International Red Cross and federal Nigerian officials.

Stewart was reported ready to argue that two routes could be opened quickly to get relief through to starving Biafrans.

One would be by sea and then along the Cross River. The other would involve an airlift to the Obilagu strip north of Biafran lines and then a truck convoy south.

The Cross River route was seen here as a more likely possibility. Both Biafra and the federal government in Lagos agreed in principle after the United States proposed the idea.

More people get more news from newspapers than all other sources combined.

The bidding:
South West North East
1♣ Pass 1♦ 1♥
4♣

Opening lead — queen of hearts.

This deal occurred in a rubber bridge game in Paris. Star of the hand was Dr. Pierre Jais, world-famous French expert, who held the West cards. Declarer was Jacques Blaizot.

The bidding was rather optimistic, since, in effect, Blaizot contracted for game single-handed. His club bid was forcing and North's diamond response negative, but, despite this, South went right on to four spades.

It turned out that the contract was very sound, and ordinarily South would have brought home ten tricks with ease, but the defense functioned exceptionally well and declarer wound up a trick short.

Jais led the queen of hearts. East overtook with the king, cashed the ace, and continued with the jack. Declarer trumped with the jack, but Jais, shrewdly spurning the opportunity to overtrump, discarded a club instead.

South naturally concluded that West did not have the queen of trumps. So, after cashing the ace of spades, he led a diamond to the ace, returned a trump, and finessed the ten. This lost to the queen, and Jais later scored the queen of diamonds to defeat the contract one trick.

It is hard to fault declarer for his play. It is true South could have made the hand with a diamond finesse at trick five, but from his viewpoint, assuming East had the queen of spades, a diamond finesse could easily prove fatal.

Thus, with the jack of diamonds losing to the queen, another heart lead by East would defeat the contract no matter how favorably the trumps were divided.

South would have to trump the fourth heart with the ten or the four, and in either case the defense would score the setting trick in trumps.

Had Jais overruled the jack of spades at trick three, declarer would have had no choice but to try the diamond finesse and he would have made the contract.

Ann Landers

Wife Explains Why She's Out Cheating

Dear Ann Landers: Please print this, but no clue as to where it came from. My letter could have been written by at least five million women. Let their husbands guess.

To The Man I Married: You have accused me of cheating on you. I've denied it because you have no proof and I figure nothing can be gained from a confession. But now I'm ready to admit that your suspicions are right. I've been seeing another man for almost a year. Here's why:

The romance went out of our marriage long ago. You decided that frills, such as kindness, consideration and decent manners, were a waste of time. You let me know my feelings didn't count. If you chose not to come home for dinner, I was expected to "catch on" by 9:00 P.M. and eat alone.

When I found lipstick on your shirts I was supposed to believe it was red marking crayon. You refused to go to church with me because you said you could worship God better on the golf course than with a bunch of hypocrites.

It's been years since we had a real conversation. You are either too busy or too tired to talk. You've made me feel like a drag, a bore, a nuisance and finally, a nothing.

Last year I met a man who made me come alive after I was sure I had died inside. He finds me interesting and attractive. His marriage is as bad as mine, but he is trapped, as I am, by children, social pressures and financial obligations.

So, my dear husband I am not leaving you, but I am cheating every chance I get and it is keeping me sane. Furthermore, I am healthier and happier than I've been in a good many years.

— Your Wife

Dear Wife: You didn't ask for advice so I won't offer it. Here is your letter with no comment.

Dear Ann: A few years ago I loaned a friend \$200. He promised to repay me with interest when he graduated from college.

A few months later he was called into the Army. I felt that so long as he was in the service I would not remind him of his obligation.

When he returned he avoided me. I ran into him at the home of a mutual friend. He was embarrassed and said, "I haven't forgotten about the loan." I replied, "Good! I can use the money."

That was a year ago and I haven't seen a dime. Even \$10 a month would look good. What should I do? — Short

Dear Shorty: Write or phone the fellow and ask how soon he can start to make monthly payments against the \$200. As a matter of integrity he should take steps to honor the commitment, no matter how modest the payments.

★ ★ ★

Dear Ann: Your answer to A.C., the student, was lousy. You told him to "keep plugging away." Why? Are grades that important? I know at least a dozen squares who've never missed the dean's list but they are ignorant when it comes to things that matter. You boomed, Ann. — Adam's Apple.

Dear Ad: A.C. was on the verge of flunking out. I advised him to keep plugging. This was boobing?

COME ON! - GIVE A LITTLE -
AT THE RED CROSS BLOODMOBILE
+ RED CROSS BLOOD PROGRAM

SING A SONG of happiness after giving blood. The Red Cross bloodmobile will be at Gladstone (James T. Jones School) on July 8 from 3 to 7 p.m.; in Escanaba July 9 at Teamsters buildings 2:30 to 7:30 and again July 10 from 10 a.m. to 3 p.m.

Joseph Vaich Is Angelic Janitor

SAGINAW (AP) — At Christmas vacation time, each one of the 240 handicapped children at Handley School takes home a "present from Joe," who's known around these parts as "not just a janitor, but a kind angel."

"It is very little what I do," says 68-year-old Joseph Vaich, a Lithuanian native who came to this country and settled in Michigan in 1955.

The people whose lives he touched don't agree.

Ask the Negro who worked at a drycleaning establishment near the restaurant Vaich operated from 1956 until he sold it in 1958. The man had not been able to find a steady job and was only working two days a week at the dry cleaners.

Vaich fed him once or twice a day and gave him food to take home to feed his wife and children.

Needs So Much

He gave away food to other needy persons, and Vaich laughingly recalls: "The cook said I would go bankrupt if I did not stop feeding the whole town."

But the way Vaich sees it: "A man only needs so much money and then the rest he should share. There is only me and I do not need a lot of money. I still receive so much more from America. I will never be able to pay it all back."

Vaich became a citizen in 1963 and he is very proud of the letter of congratulations he received at that time from U.S. Rep. James Harvey of Saginaw.

For eight years after he sold his restaurant he was a janitor at Holy Cross Lutheran Church, where members of the parents league remember him as "a very kind angel" who donated money to the church each year,

providing the money to pay for tables in a hot lunch kitchen, drapes in the office and first aid room.

Present From Joe

He later became head custodian at Handley School. Teachers there say that each child gets "a present from Joe" at Christmas time and he also fills envelopes with \$5 or \$10 bills and delivers them to homes of poor families. Enclosed is a note which says "a gift from heaven."

"Just maybe they'll believe it came from heaven and regain their faith in the world, though they are poor," says Vaich.

Besides his work for charitable organizations, Vaich also has worked in politics, campaigning as neighborhood chairman for Nixon. In November he received a letter of thanks from the newly elected president and Vaich had it framed and placed among his souvenirs.

Bomb Burns Livonia Boys

LIVONIA (AP) — Three Livonia boys burned last Thursday when a homemade bomb exploded near them are now reported in good condition and are expected to leave St. Mary's Hospital this week.

Richard Wiard, 14; Karl Godina, 15, and Mark Devon, 12, had been admitted to the hospital with varying degrees of burns and with shrapnel wounds.

They were injured when firecrackers they were making for the Fourth of July exploded in the basement of the Wiard home shattering concrete blocks and cracking plaster in the walls of the house.

Smaller Farmers Have Trouble Collecting Money

LANSING (AP) — Large-scale fruit and vegetable growers generally don't have major problems collecting money from the canners and processors who buy their products.

Mother Waddles Aids Over Radio

DETROIT (AP) — Mother Charlesetta Waddles, who has been offering aid to Detroit needy in person for 12 years, will begin doing it via radio next week.

Mother Waddles, who serves soup and clothing to the poor will broadcast a show called "Radio HELP" on a black-oriented station from her Perpetual Mission headquarters on Detroit's Grand Blvd.

She said she hopes her new show will be able to find jobs, fix cars, give financial aid and help treat emergency medical needs free of charge.

"It will give people an opportunity to help and promote togetherness," Mother Waddles says, adding she plans to help all segments of the city's population. "Separatism is not my bag."

But the situation isn't quite the same for the family-size growers. It's harder for the smaller concerns to fight, says Bob Smith legislative agent for the Michigan Farm Bureau. "They could go to court to collect their money," he says. "But that's time consuming—and expensive."

The smaller grower certainly needs some type of protection from the processor who occasionally tries to operate on someone else's money and doesn't pay promptly.

That's why the Farm Bureau asked the legislature for help. A bill requiring buyers to "pay the seller for all fruits and vegetables accepted for canning or processing within 60 days unless the parties have agreed otherwise in writing" now awaits final Senate consideration.

The House already has passed the bill but there could be a problem over a penalty section of the measure.

The House version provides that "accounts not paid within 60 days or such other time as agreed to by the parties shall

bear interest at the rate of 70 per cent per annum."

The Senate struck that provision and added one of its own, specifying that violation of the act would be a misdemeanor.

In preliminary debate, Sen. Basil Brown, D-Highland Park, an attorney, questioned the constitutionality of that section. Some legislative attorneys agreed, others seemed skeptical. A move to return the bill to

the Senate Judiciary Committee for further study was averted when Sen. Gary Byker, R-Hudsonville, said he would prepare an amendment calling for those who didn't pay on time to be liable for triple damages instead of prosecution as a misdemeanor.

Protected By Laws

"Why should growers get something like this?" some senators questioned. "Why shouldn't attorneys have a bill like this — or insurance agents — or certified public accountants?"

"I can't imagine anybody more capable of collecting than an attorney," Smith says with a smile.

In a more serious vein, he adds that state and federal laws provide precedent — and some cause — for the bill.

"We maintain that other segments of the economy generally are protected by laws," Smith says. "Labor has all sorts of laws protecting it — like the wages and hours law."

That law, he says, requires employers to pay employees every two weeks. Agricultural workers, domestic help and public employees now are exempted from provisions of that law, but

the Senate Judiciary Committee for further study was averted when Sen. Gary Byker, R-Hudsonville, said he would prepare an amendment calling for those who didn't pay on time to be liable for triple damages instead of prosecution as a misdemeanor.

Rockets Hits Car, Nine Injured

DEARBORN (AP) — Six children and three adults suffered minor injuries Sunday night when a rocket from a city-sponsored fireworks display fell on a parked car.

All the injured were treated and released from Oakwood Hospital in Dearborn. Most of the injuries were from shattered glass from the car's windshield, which burst when the rocket exploded atop the car.

The fireworks display was one of six scheduled to be staged on July 4, but postponed until Sunday night due to the rain.

a bill pending in the Legislature now would remove that exemption.

Milk Producers

"Thus the farmer would by law be required to pay his help every two weeks," Smith says. "Some farmers already pay their employees by the week, and in some cases daily, depending on the type of work they do."

Cyclists Hold Peaceful Picnic

ANN ARBOR (AP) — Nearly 75 motorcyclists traveled in a group to Ann Arbor Sunday for what turned out to be a peaceful picnic in Nichols Arboretum.

The event had been originally promoted by the White Panthers, a hippy group, as a rock music rally, but the city refused to grant a permit for playing amplified music.

The cyclists joined a gathering of about 400 hippies and on-lookers for peaceful picnic, which was watched closely by Ann Arbor police and Washtenaw County Sheriff's deputies, including some who circled the park in a helicopter.

"In many cases also the employee draws way ahead."

"What happens when the farmer is required to pay his own bills but doesn't have money coming in from sale of his produce?" Smith asks.

He adds that milk producers already are covered by similar laws requiring payment for their product within a specified amount of time.

Cyclists Hold Peaceful Picnic

ANN ARBOR (AP) — Nearly 75 motorcyclists traveled in a group to Ann Arbor Sunday for what turned out to be a peaceful picnic in Nichols Arboretum.

The event had been originally promoted by the White Panthers, a hippy group, as a rock music rally, but the city refused to grant a permit for playing amplified music.

Women's Activities

Bethany LCW Units Meet This Week

Bethany LCW units are meeting this week as follows:
CHERISH — Tuesday, July 8, at 2 p.m. at the home of Miss Hilda Olson, 1104 S. 2nd Ave.
LOVE — Wednesday, July 9, a picnic at Pioneer Trail Park.
HOPE — Wednesday, July 9, a picnic at Pioneer Trail Park.
TRUST — Thursday, July 10, 9:15 a.m., at the home of Mrs. Frank Wawirka, Wells.
HONOR — Thursday, July 10, at 2 p.m. at 1105 Lake Shore Drive. Hostess: Mrs. Earl Frechette.
DELIGHT — Thursday, July 10, at 2 p.m. at the home of Mrs. Herman Johnson, Bark River.
THANK — Thursday, July 10, 6 p.m. picnic at Russell Park. Hostess: Mrs. Herman Kothala.
PRAISE — Wednesday, July 16, a picnic at the Algot Gustafson Cottage, Garth Shores.
 ABIDE Circle will not meet in July and COMFORT Circle will meet at a later date.

Pari-Mutuel Planned At Highland Club

Saturday, July 19, the Highland Golf Club will be the scene for an afternoon of golf followed by dinner in the evening.

At 2:30 p.m., with a shotgun start, golfers will tee off in a mixed pari-mutuel. There will also be a blind bogie as well as special golf prizes. Cocktails following golf and dinner at 7 p.m. will complete the activities. Members are invited to bring guests.

Reservations must be made no later than 6 p.m. on Wednesday, July 16, by calling Mrs. William G. Daniels at 786-1799 or the clubhouse at 466-7457. Mr. and Mrs. William G. Daniels will be chairmen for the day and will be assisted by the following couples: Mr. and Mrs. Donald Nelson, Runar Beck, Francis Lewis, David Friets, Robert G. Olson, Leo Knauf, Walter Kulik, Gerald Martin.

Mr. and Mrs. Ed Motto, Ellsworth Nault, Phil Norman, Thorold Papineau, Robert Pollard, Carlton Johnson, Thomas Walton, and Vernon Wicklander.

Miss Lanford Attends Music, Art Camp

Kathryn Lanford, daughter of Mr. and Mrs. James Lanford, Trenary, is attending the 1969 Midwestern Music and Art Camp, Lawrence, Kansas.

Miss Lanford is attending the study courses offered by the Camp journalism division. During the six weeks she is in Kansas, Kathy is studying courses in editing, reporting, writing, and advertising. As part of the study in a Radio-TV course, she is doing some broadcasting from the University radio station, KUOK.

Before moving to Trenary, Kathy was a member of the Clio Area High School Ski Club, Latin Club, Girls' Athletic Association, Job's Daughters, and played the oboe and clarinet in the high school band.

A member of the newspaper staff, Kathy will be a senior this fall. She was a member of the cast in the junior class play at Mathias Township High School. Kathy has consistently maintained honor roll status during high school.

"It's a wonderful opportunity to meet people, learn to talk to people, experience the responsibility in getting newspapers out, and all the problems to be expected in producing a paper. It also gives a quick look into what college will be like," says Kathy, of the camp.

Mrs. Larry LeBoeuf (Lee's Studio)

Beverly Ruth Kaukola Bride Of Larry J. LeBoeuf

Beverly Ruth Kaukola became the bride of Larry Jerome LeBoeuf of Marquette during a ceremony performed Saturday, June 28 at the Calvary Lutheran Church of Rapid River. The Rev. Peter Laaninen officiated at the nuptials at 4 p.m. Parents of the couple are Mr. and Mrs. E. C. Holmquist of Rte. 1 Box 108 Rapid River and Mr. and Mrs. Jerome LeBoeuf of 1013 Superior, Marquette.

Organza, Taffeta
 The bride, given in marriage by her stepfather, wore a floor length gown of organza over bridal taffeta styled with ripple lace long sleeves and a high neckline also trimmed in lace.

A Camelot bow of matching lace trimmed with pearls held her elbow length illusion veil and she carried a cluster bouquet of white carnations and pompons with pink sweetheart roses. She also wore white pearl earrings, a gift of the bridegroom.

Maid of honor for her sister was Gretchen Kaukola of Rt. 1 Rapid River and bridesmaids were Karen Martens of Rapid River, Deborah and Sharon Kaukola, Rte. 1 Rapid River, sisters of the bride.

They wore Nile green Empire gowns fashioned with short sleeves and back panel trains. Matching rose headpieces completed their attire and they carried a single pink rose with foliage.

Flower Girl
 Rebecca Gagne of Harris was the flower girl and carrying the rings was Allen Kaukola, brother of the bride.

Births

TULPOPO — Mr. and Mrs. William Tulppo of Rte. 2 Escanaba, are the parents of a son, their first child, born at 3:47 p.m. on July 5. The infant weighed 7 pounds and 10 ounces at birth and has been named John Kevin. The mother was Mary Fitzgerald.

GOELZ — At 11:02 p.m. on July 6, a son, Scott Andrew, weighing 7 pounds and 13 ounces, was born to Mr. and Mrs. Ronald Goelz of 1111 S. 16th St. Mrs. Goelz is the former Barbara Joslin.

CITY OF ESCANABA Notice Of Taxes Due

1969 City Taxes are due and payable July 10, 1969 at the City Treasurer's Office in the City Hall. After September 15, 1969, a penalty of 4 per cent is added.

Office hours 9 a. m., to 5 p. m., except Saturday and Sunday.

All tax bills will be mailed by July 10.

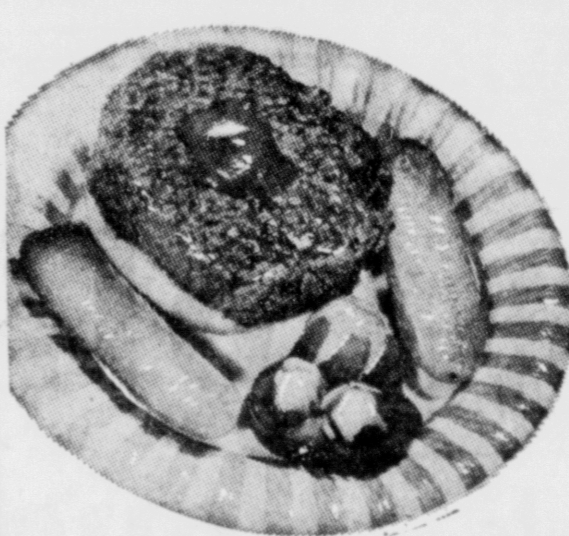

Donald J. Guindon
 City Treasurer

Legion Auxiliary Installs Officers

The Escanaba Legion Auxiliary of River Post 115 met Wednesday evening with Mary Thompson presiding. Plans were made for a picnic to be held at Pioneer Trail Park on July 20.

Newly elected officers were installed by Past President Lorraine Beck. Hostesses for the evening were Geneva Jackson, Marilyn Manninen and Mildred Anderson.

Church Events

FIRST UNITED METHODIST
 Monday, July 7, 7:30 p.m.—Council on Ministry meeting;
 Tuesday, July 8, 6:45 a. m.—Men's Breakfast fellowship at Old Town.

Central United Methodist
 Monday, July 7, 8 p. m.—Council on Ministries.

Events

Phoebe-Rebecca Lodge Picnic
 The Past Noble Grand's Club of Phoebe-Rebecca Lodge will hold its picnic on Tuesday, July 8, at Alma Gasman's cottage, beginning at 6 p.m. Members are reminded to bring their own table service and two prizes for games. For further information, call ST 6-4017.

People

Mr. and Mrs. Harold Martin and children of Addison, Ill., have returned home after spending a week at the home of their parents, Mr. and Mrs. Ernest Martin, 1616 8th Ave. S. and Mr. and Mrs. Gerald Martin, 1030 S. 16th St.

Mr. and Mrs. Thomas W. Gaffney of Hawaii Gardens, Calif., have been visiting with her parents, Mr. and Mrs. Vernon Wick of Cornell. Mrs. Gaffney is the former Sandi Wick and his grandparents are Mr. and Mrs. Chester Feak of Ford River.

Ardith Bougie Bride Of Daniel J. Ross

Ardith Dawn Bougie of 956 Stephenson Ave. and Daniel Joseph Ross of 422 S. 10th St., exchanged vows during a double ring ceremony performed Saturday, July 5 at the Central Methodist Church of Escanaba.

The Rev. Karl J. Hammar officiated at the nuptials at 1:30 p. m. The church was decorated with white gladiolus and carnations.

The bride is the daughter of Mr. and Mrs. William Bougie of 956 Stephenson Ave. and parents of the bridegroom are Mr. and Mrs. Russell Ross Sr. of 422 S. 10th St.

Scalloped Edge

Mrs. Kermit (Cheri) Larson, a cousin of the bride, served as matron of honor and bridesmaids were Laurie Kuchenberg and Audrey King, friends of the bride. They wore maize yellow and white gowns of sheer nylon and taffeta with a yellow satin band and bow. They carried clusters of Marguerite daisies and leather fern foliage.

The bride chose for her

wedding a floor length empire style gown. The train, yoke and bell sleeves were scalloped and lace edged. The bridal veil was bouffant and elbow-length, crowned with petals and lace with simulated rhinestones and crystals.

Serving as best man for his brother was Russell Ross Jr. and further attending the bridegroom were Norman and Roy Thorbahn. Seating the guests were David Bougie and Steven VanEffen.

Mothers' Attire

For her daughter's wedding Mrs. Bougie chose a bonded nylon seascape A-line dress with natural straw accessories. She was presented a corsage of carnations and pink sweetheart roses.

The bridegroom's mother wore a shocking pink gown with a lace coat and white accessories. She pinned a cymbidium orchid corsage.

The reception was held from 4 to 8 p. m. at Marco's Starlite Room with a dance following. After a wedding trip to Lower Michigan, the couple will reside in Wells. Both people are graduates of Escanaba High School.

A rehearsal dinner for 25 guests hosted by the parents of the bridegroom was held at the Stonehouse, July 3.

THE Fair STORE
 "Your Family Department Store"

Underarm deodorants stop odor.
Anti-perspirants check perspiration.

Super-Dry Anti-Perspirant does both!

Super-Dry is the finest anti-perspirant you can buy. The finest underarm deodorant, too. Read why.

Many deodorants and anti-perspirants are either too strong or too weak.

Weak ones don't control perspiration enough. Strong ones do—but their powerful ingredients often cause irritation.

Our chemists found a way to buffer the powerful ingredients without impairing their effectiveness. The result is Super-Dry.

Super-Dry is both an anti-perspirant and a deodorant. It contains two powerful moisture-controlling ingredients. No deodorant combines both full strength, this way.

Super-Dry also has SD 110, a spreading agent to make it roll-on evenly to control every perspiration duct it reaches. Think what this means!

Super-Dry will keep your underarms so dry you can forget perspiration rings even in hot weather. Even when you're tense. Even if you perspire too much. It's made for people who over-perspire. And of course, you'll never have to worry about odor.

anti-perspirant/underarm deodorant

Legislature Resolves Differences In Budget

LANSING (AP) — Legislative appropriations committees continue their spare-moment, catch-as-catch-can meetings this week in an attempt to resolve differences over more than \$1.534 billion budget for new fiscal year.

One week after the state's 19 major departments began fresh balance sheets, the two legislative committees still are working out the cost of the final treasury department check to pay the state's expenses through next June 30.

Senate Republicans, skeptical of Gov. William Milliken's

claims of increased revenues, seek to hold the budget as close as possible to the \$1.51 billion Milliken proposed back in January.

House Democrats, meanwhile, seek to preserve what they consider essential services — particularly education which have added more than \$30 million to Milliken's proposals.

With three appropriations bills settled, conference committees are just beginning to tackle the major issues and marshal arguments over the remaining several spending bills.

U-M Funds

Involved are \$4 million for new capitol construction, \$1.62 million for a yet-unbuilt Wayne County Community College, some \$5 million in additional funds for the University of Michigan and a record \$289.3 million welfare budget.

Each chamber, meanwhile, faces yet another weekend deadline — to be met or circumvented by daylong legislative sessions. By previous agreement, midnight Friday is the deadline for passage of bills originating in the other chamber.

In the Senate, a wide range of House bills face early action. They involve election of De-

troit's Common Council from specified districts instead of the present, at-large system; and establishment of a tax base for the still "paper" Wayne County Community College.

A bill setting up a "critical health problems education program" for school children, run on the basis of guidelines to be set up by the state superintendent of public instruction, also faced final consideration.

Questions about sex education guidelines — yet to be set up by the State Department of Education — and whether a college course would have required a student to try drugs forced postponement of the final vote last week.

County Parks

The House, meanwhile, is expected to take a careful look at a Senate bill providing for a wide-ranging overhaul of administrative rules to be followed by the state departments and agencies.

Involved are procedures for publishing and disclosing departments information, guidelines and statistics. Once adopted the rules virtually would have the effect of law in determining what information would be required to be kept available for public instruction.

Also working their way to the top of the pile are Senate bills to:

- Revise state banking law, granting "cease and desist" power to the state banking commissioner.

- Revise the state aeronautics code.

- Provide for county park and recreation area bonds.

- Allow a winter thoroughbred and harness racing program.

Trailer Smashed But Not Vacation

GRAND RAPIDS (AP) — Mr. and Mrs. Eugene Smoots of the Detroit suburb of Southgate were headed for a month's vacation when the wind caught the trailer they were pulling and smashed up their car on I-96.

The Smoots, their son and daughter and a neighbor boy escaped injury but feared their vacation plans had been shattered.

That's when William Krueger of Grand Rapids happened along. Seeing the wrecked car and trailer, he stopped and learned of the spoiled vacation. Then he handed the Smoots the keys to a late model car and to his cottage at Traverse City and continued on his way.

What did Mrs. Krueger say when the strangers appeared to pick up the car?

"He's done things like this before," she said. "He must trust people. So far they've never made him think otherwise."

Greek gods had monthly birthdays. Artemis, goddess of the moon and hunt, was honored on the sixth of every month. Moonshape honey cakes lit with tapers were placed on altars in her temples—the first birthday candles.

DAVID HUGHES, 13-year-old Upper Michigan lad, may not turn out to be an engineer in later life, but he certainly seems bent that way. All Dave has to do with this rig to mow his lawn with a 30-degree slope is move a few inches sideways as he lowers the mower on ropes. He then pulls it back up, letting gravity do at least half of the work.

Goings On Too Much For Cleric

WINFARTHING, England (AP) — Strip-tease parties, wife swapping and sexual perversions are increasing in Winfarthing, the local clergyman says.

And the same things are going on in Shelfanger, Tivetshall, Fersfield, Gissing and Tibenham, he adds.

None of these six sleepy Norfolk farm villages has a population of more than 400.

But "exaggeration there is not," the Rev. Geoffrey Darrah wrote Friday in his parish newsletter. "Rather I have not told the half for I could give chapter and verse for all that I have said and for twice as much again."

In the passage that raised the most eyebrows, he declared: "Strip-tease acts are now a feature of parties at all levels of society, even in rural Norfolk, and the swapping of partners for a night only causes a few raised eyebrows while sexual perversions of many kinds seem to be on the increase."

He urged his parishioners, "If any of you are in any way involved in the kind of things of which I have been speaking, then for God's sake, and for your own sake, and for the sake of others, make a complete and immediate break."

The rector's letter was news

HOBBY SAVING WORDS

VIENNA (AP) — A female post office clerk received a one-month prison term for leaving out words in telegrams for which customers had paid the full wordage. She pocketed the excess money.

The telegram senders seemed to be stingy enough with their words themselves. In the half year the woman used her scheme she made only 130

to at least one villager, Derek Ashfield, landlord of the local pub.

"I have heard nothing of it and I would expect to hear in the village pub," Ashfield said. "In villages like this nothing happens late at night—or even during the day—without everybody knowing about it."

15 Skips Win Island Contest

MACKINAC ISLAND (AP) — "Astute selection of stones" won the day and the Little David Flat Stone Trophy this weekend for Dr. George Keitt in the 1969 Stone Skipping and Ge-Plunking Open.

Dr. Keitt, a biology professor at Mackinac College, managed a near-record 15 skips Saturday on a placid Lake Huron to win the meet just before darkness set in. The record is 17.

Darkness, however, canceled the ge-plunking portion of the contest. Object of ge-plunking, generally the children's portion of the contest, is to drop a stone into the water and achieve maximum height of splash.

Dr. Keitt, who rallied to take the title late in the afternoon after Karl Dubous had led most of the day with a 15-skip toss, attributed his win to stone selection and luck.

"Astute selection of stones is 90 per cent and luck is 10 per cent," he observed. He said he favors flatness, coupled with near-roundness. Flatness, though, is the most critical characteristic.

"Approximate roundness is desirable," he said. "But it's not critical."

HUNDREDS OF ESCANABA AREA residents toured the U. S. Coast Guard cutter Mesquite during its open house at Escanaba. Crewmen from the cutter explained operations and also had displays to illustrate how buoys, etc., operate. This view looks toward the bow of the 180-foot vessel. (Daily Press photos.)

Mrs. O. Groleau Dies On Sunday

Mrs. Omer (Mabel) Groleau, 70, of Rapid River Rte. 3 (St. Jacques) died at 5:45 a.m. Sunday at her home after suffering a heart attack.

She was born April 2, 1899 in Spaulding and was a member of St. Andrew's Church of Nahma and the VFW Auxiliary of Escanaba.

She is survived by her husband; three sisters, Mrs. Betty Pepin of Escanaba, Mrs. Henry (Dorothy) Kirschner of Powers and Mrs. Dolly Altengrub of Gladstone; two brothers, Jack Dulek of Escanaba and Raymond of Florence, Wis.; one grandchild and one great grandchild; her stepmother, Mrs. Eva Dulek of Escanaba; six stepdaughters, Mrs. Walter (Leila) Moser, Mrs. Fred (Irene) Clement, Mrs. Loretta Pomeroy, Mrs. Harry (Rita) LaBumbard and Mrs. Edward (Anita) Lamberg, all of Rapid River, and Mrs. Leo (Roslyn) Plas of Des Plaines, Ill.; eight stepsons, Rudolph and Edward of St. Jacques, Emil, Rosario, Gerald, Leo and Wade of Rapid River and Gary of Northfield, Ill.

Friends may call at the Skradski Funeral Home after 3 p.m. today and the VFW Auxiliary ritual will be held at 7:30 p.m. Parish prayers will be recited at 8 p.m.

Funeral services will be conducted at 10 a.m. Tuesday at St. Andrew's Church with the Rev. Ephram Sitko officiating and burial will be in the Rapid River Cemetery.

Finch Declined V-P Nomination

NEW YORK (AP) — President Nixon didn't offer the Republican vice presidential nomination to Spiro T. Agnew until Robert Finch turned it down, Theodore H. White says in the current issue of Life magazine.

Finch, currently the secretary of health, education and welfare, told Nixon "he could be a better friend and adviser than a running mate," White said, in an excerpt from his forthcoming book, "The Making of the President 1968."

White said Nixon picked Agnew over former Massachusetts Gov. John Volpe, now secretary of transportation, after Republican conservatives and liberals had ruled out each other's choices.

Conservatives and Southerners vetoed New York Mayor John V. Lindsay and Sens. Charles Percy of Illinois and Mark Hatfield of Oregon and Gov. George Romney of Michigan; liberals turned down Gov. Ronald Reagan of California and Sen. John Tower of Texas, according to White.

The Nixon-Finch relationship was strained recently when Nixon overruled Finch's choice of Dr. John H. Knowles as assistant secretary for health and scientific affairs.

Wilson

Mr. and Mrs. James Hart of Bark River, Mr. and Mrs. Edward Hart of Wilson attended the wedding of Michael Hart and Beth Bleichroth, both of Chicago, Saturday, June 28, at 3 p.m. at the Queen of the Rosary Church, Elk Grove, Ill. The reception was held at the Salt Creek Golf Club in Irasca, Ill. Michael is the son of the Edward Hart.

LT. COMM. R. D. ST. AUBYN, commander of the U. S. Coast Guard Cutter Mesquite, welcomes Escanaba Mayor Cecil Chase aboard during the cutter's open house program at the Municipal Dock over the weekend.

Keith Green Dies Sunday

Keith Green, 59, died last evening at the Iron Mountain Veteran's Hospital after an illness of several months.

He was born June 9, 1910 in Bear Lake and had been employed by the Snowden Construction Co.

He is survived by his widow, the former Evelyn Miller; two sisters, Mrs. Keith Phillippi of Bear Lake and Mrs. Doris Catechick of Tavaris, Fla.; four brothers, Roy of Leesburg, Fla., Kenneth, Westland, Mich., Floyd of Garden City, Mich. and Carl of Bear Lake and several nieces and nephews.

Friends may call at the Anderson Funeral Home after 4 p.m. Tuesday and funeral services are tentatively set for Wednesday at 1:30 p.m. at the funeral home.

French Ex-Priest Claims He's Pope

VATICAN CITY (AP) — A French ex-priest today claimed God, the Virgin Mary and a host of saints had appointed him as pope of the Roman Catholic Church.

Thousands of Romans found leaflets containing "the last warning of the heavenly mother to mankind" tucked under the windshield wipers of their cars this morning.

They were the work of Clement XV, who has long been known to the Vatican. He is a French ex-priest, Michel Collin, whom the Holy Office barred from all Catholic churches in 1961.

After Collin showed up in Italy and nearly succeeded in rallying a parish in the Alps to his cause, Italian authorities expelled him last February.

Quoting the "heavenly mother," the leaflet tells bishops and heads of state to "beware of what you are doing, feeling you are still bound by an obedience which by now I have refused to Paul VI, the usurper pontiff, the man who has taken seat on the throne of my church, while knowing that another one had been elected by my Jesus: Clement XV."

Daughter Of J. Zimmermanns Dies Suddenly

Sandra Michelle Zimmermann, 3½ month old daughter of Mr. and Mrs. James Zimmermann, 2616 Kinicknick Ave., Milwaukee, died suddenly Saturday at St. Francis Hospital. She was born March 17, 1969 in Milwaukee.

The body was taken to the Anderson Funeral Home and has been removed to the Praser Funeral Home in Milwaukee where funeral services will be conducted Tuesday.

Torpedoes Taken, Troopers Warn Of Dangers

State Police reported that 12 highly dangerous torpedoes were stolen recently from a Soo Line Railroad car that had been parked on the Soo Line overpass just north of Mead Rd. off U.S. 2.

The torpedoes are one and one-half inches square, red in color, and have the word "danger" written on them, troopers said.

They are extremely dangerous and anyone having information of their whereabouts should notify the State Police at Gladstone.

Also taken along with the torpedoes are a first-aid kit, a portable telephone, and six flares.

Fire Damages Lincoln House

GLADSTONE — A fire believed by firemen to have been started by children playing Saturday caused extensive damage to contents and rooms on the second floor of the Lincoln House, 602 Superior Ave. Firemen were called about 10:20 p.m.

The fire apparently started at the rear of the building and spread up the walls to the second floor rooms, firemen said. Damage to the first floor was limited largely to smoke and water damage, firemen said. No injuries were reported.

The building is owned by Gerald Godfrey, who lives in an apartment on the first floor, officers reported.

State Enters C&NW Case

State Rep. Charles H. Varnum (R-Manistique) said today that the Michigan Public Service Commission has assigned a member of its staff to represent the State of Michigan in any hearing which might be set by the Interstate Commerce Commission into the proposal by the Chicago & North Western Railway Co. to discontinue its Green Bay, Wis., to Ishpeming passenger train service.

Willis F. Ward, chairman of the Public Service Commission, announced assignment of Division Director Clarence E. Magoon to the case. Varnum said interested persons can contact Magoon at his office on the 5th floor, Seven Story Office Building, Lansing, or by calling 373-3250 in Lansing.

"The Public Service Commission's willingness to help in this matter, in spite of their limited staff, is most encouraging," Varnum said. "I'm sure the U.P. people affected by this train issue will appreciate any assistance they can give."

Sen. Joseph Mack (D-Ironwood) also said today that he has requested the ICC for "public hearings to be held in the Menominee County area allowing people adversely affected in the Upper Peninsula to be heard on the proposed discontinuance" of the train service.

Market Reports Profit Taking

NEW YORK (AP) — Some profit taking was reported biting into the stock market's technical rally, but the market remained higher in fairly active trading early this afternoon.

Natamox, which gained a total of 25¼ last week, was off 3 at 119¼. Reading & Bates Offshore Drilling was down 1¼ at 39¼. It gained a total of 7½ last week.

The Dow Jones industrial average, which had been up 4.26 at 10:30 a.m., was up 1.10 at 887.22 at noon.

Advances led declines by about 250 issues.

"The market got a fair rise last week after a long decline," an analyst said. "So it's natural to expect some profit taking by those traders who bought stocks before the advance and saw their prices go up a bit."

Brokers said some investors apparently were cautious and waiting for Treasury Secretary David M. Kennedy's press conference late this afternoon.

The Associated Press 60-stock average at noon was up .1 at 314.4, with industrials up .9, rails off .2, and utilities off .2.

State Education Inquiry To Open

The Governor's Commission on Educational Reform will start its state inquiry about what the Legislature should do about schooling in Marquette Tuesday at Northern Michigan University.

On July 14, the commission will hold a second public hearing in Detroit and on July 16 another hearing is scheduled at Lansing.

Public school superintendents of the Upper Peninsula have organized a presentation to the commission.

Youths Rescued After Boat Flips Off Escanaba

A three-hour ordeal in choppy waters of Little Bay de Noc for three Delta County people ended safely about 11:30 Sunday night after the fourth member of their boating party swam an estimated mile and a half to shore to get help.

Rescued from the bay by Delta County marine officers were Dawn Wellman, 18, of Rte. 1, Ford River; Jim Boyle, 21, of 1809 1st Ave. S., Escanaba, and Mary Ann Lorey, 19, of 517 S. 9th St.

Mike King Jr., 22, of 940 Stephenson Ave., made the swim to shore.

"We prayed outloud for over three hours," said Miss Wellman.

Miss Wellman said that the evening started off as a pleasure cruise in a 17-foot boat owned by King.

"We left Lake Shore Drive around 8 o'clock Sunday evening," Miss Wellman said. She added that the boat began to take water within 15 minutes after they had left shore.

"Jim told Mike that the boat was filling with water, but Mike thought it was only wash waves coming over the side," Dawn said.

According to Dawn it was only a few minutes before the boat began to list and finally capsized.

"We didn't even get a chance to grab the life preservers," Dawn said. "It all happened so fast nobody had a chance to do anything," she explained.

"As soon as the boat flipped, we all hung onto the gunwale for dear life," she said.

Miss Wellman said that as soon as everyone had a good hold on the boat, Mike swam under the boat in search of the life preservers.

"He found two of them and gave them to Mary Ann and myself," Dawn said.

"No one wanted to leave right

away," Dawn added.

"Finally, Mike decided that he was going to try to tow Jim, Mary Ann and myself to shore with the boat," Dawn said.

Miss Wellman said this attempt was thwarted by the huge waves that had built up on the bay.

After Mike returned to the boat, Miss Wellman said that they remained together awhile before Mike decided to take Mary Ann's life preserver and try to make shore again.

"It seemed like Mike was gone forever," Dawn said. She added that her faith was increased when she noticed a light coming closer and closer to their position.

"We were screaming and praying all at once," she said. The group's prayers were answered when the County Sheriff's Department pulled alongside to make the rescue.

"I was never so happy in my life," Miss Wellman said.

"We were getting pretty weak by then, and I don't know how much longer we might have lasted," she said.

King, the young man who swam over a mile and a half to make the rescue possible, had just returned from Vietnam where he had just completed a tour of duty. His leave ended last night.

Gladstone News

Women's Golf Club Pairings

Gladstone Women's Golf Club pairings for July 10 are as follows:

- Bev Farrell - Joan Anderson
- Katie VanDonsel - Marion Tiberghien
- Dot Coulter - DeDe Peterson
- Alice Altese - Doris Becvar
- Marion Nivison - Ev Skelenger
- Bev Peterson - Alice Davis
- Marie Harris - Peggy Reese
- Rita Sturdy - Jean Jondrow
- Jane Empson - Vi Damitz
- Myrt Ottensman - Ardell Backstrom
- Diane Gruber - Grace Vanderhoff
- Sandy Butler - Millie Stenlund
- Dot Nichols - Lois Hess
- Joyce Bastian - Joanne Gillis
- Millie Trombley - Shirley Trombley
- Lois Holm - Bev Bal
- Florence Burke - Ev Belongie
- Lou Rodman - Mary Arbour
- Lorraine Srock - Dolly Gilbert

Closest to the pin on No. 4 last week was Marie Harris. Winners for the special events were Jane Empson and Millie Trombley. Low scores for the day were Bev Farrell, 47, Katie VanDonsel, 48, and DeDe Peterson, 50. Last week matches must be made up before Thursday.

Bloodmobile Here Tuesday

The Badger Blood Bank Mobile Unit will be at the James T. Jones School Tuesday from 3 to 7 p.m. All persons in the area who are able to donate blood at the time are urged to walk in during these hours. Women of All Saint's Church Guild will service the canteen.

Social

Retired Men of Gladstone Soo Line Railroad Division will hold their annual picnic at the Herb Tumath Home at Masonville Wednesday, July 9, at noon. In case of rain, they will hold it at the Kipling Town Hall.

WNL Defends Title In Softball Tourney

For the second year in a row Wisconsin National Life of Negaunee, the top team in the U.P. last season, has taken top honors in the Escanaba Invitational softball tournament, this year by beating the Escanaba Merchants 10-5 in the tourney finale Sunday evening.

WNL opened the scoring in the first inning on a single by Bill Koski and a home run by Fran L'Huillier, the tournament's most valuable player, giving them a 2-0 lead over the Merchants.

The Merchants came right back to tie the score on singles by Don Martineau and Jan Morin after Wally Flath

Powers Nine Sweeps Pair

POWERS — After falling twice to the Escanaba Cubs on Saturday, the Powers American Legion nine came roaring back to sweep a twinbill with Schaffer on Sunday, 13-7 and 7-6.

Powers rapped out 15 hits in the opener against losing pitcher Russ Pirlot, including three each by Mark Veaser and Dick Smith. Tim Moran started on the mound for Powers but was relieved by John Fazer in the third and Fazer picked up the victory.

Fazer also received credit for the victory in the second game after coming in to relieve Tim McClure in the second inning. Fazer gave up 11 hits in this game while his teammates were pounding losing pitcher Lee Vincent for seven hits.

Dick Smith and Fazer each had two hits for Powers while the Vincent knocked out three for Schaffer to go with two hits apiece by Bernard Gauthier and Rodney Porath.

Powers will play Quinnesec on Thursday night and travel to Escanaba Sunday for a 5:30 contest.

Tiger Tales

DETROIT (AP) — When king-sized Boog Powell belted a home run clear out of Tiger Stadium Sunday it marked only the 12th time since the stadium was modernized in 1938 that a player cleared the fences. Ted Williams did it once, Mickey Mantle three times, Norm Cash four times, Harmon Killebrew once, Don Mincher once and Frank Howard once. Howard's drive was off Mickey Lolich on May 18, 1968 and was over the left field fence.

Of the 12 balls knocked out of the park, 10 were over the right field roof. The last one to soar over right field was hit by Mincher off Tiger pitcher Fred Gladding Aug. 23, 1964.

"Hitting home runs is great but I would rather have won the ball game," said Powell. He described the ball as "a fast one, just right."

McLain said he is pitching more consistently than he did a year ago. Asked if Mayo Smith ever gave him any advice between innings — especially on days when he was having troubles as he did Sunday — he said, "He never talks to me. He is the kind of a manager who leaves you alone between innings and I like that."

Then as one of the Baltimore writers came by to say goodbye and reminded McLain that they would not see him again until the Tigers play Baltimore in September, McLain said, "I can't say I will miss the Orioles. Tell Weaver that for me, I don't like the way he manages, but neither do some of his players."

TROPHY WINNERS — Pictured above are the champions of the Escanaba Invitational Softball Tournament held this past weekend at Memorial Field, Wisconsin National Life. In the lower photo are, left to right, Fran L'Huillier, most valuable player; Bill Stein, most outstanding pitcher; and Sav Moreau of the Escanaba Merchants, the tourney runnerups. Trophies for the tournament were donated by Guindon Moving and Storage, Montgomery Ward, Little Mike's and U. P. Power Co. (Daily Press Photos)

Iverson, Paquette Snare Feature Honors Saturday

Ken Iverson of Escanaba and Ron Paquette of Kingsford captured the feature races Saturday night in Escanaba as 50 sportsmen and 27 modifieds provided the action before 3,403 racing fans.

The 40-lap modified feature was a real thriller, as well as being the closest race of the night. Hubert Brazeau of Canada led through the early part of the race, but a restart on the 17th lap saw Jerry Richer take over the lead.

Richer, the number one driver from last year, was racing for the first time this year and was driving for Wes Beckett of the Soo. It looked like a rerun of last year's action as Richer and Bob Iverson battled for the next 12 laps before car trouble forced both to drop from the race.

When Richer dropped out on the 35th lap, Brazeau again took the lead. However, with one lap to go, Ken Iverson made a beautiful move on the back stretch and took Brazeau on the inside and beat him by a car length to the finish line. Third place went to Fran Ansell of Milwaukee.

Ed Provo was a double winner in modified action, winning the first heat after leading all the way after taking the lead on the first lap and coming back to capture the semi-feature, edging Wayne Carter of Canada by three car lengths.

Gene Coleman of Menominee took the lead from Ray Gardiner after a restart on the seventh lap in the second heat and drove to his third victory of the year. Art Rupert of Escanaba was second and Gary Randall of Escanaba was third. Gardiner crashed his modified through the fence on the number one corner at the end of the race but was not hurt.

In the third heat, Homer Ansell of Milwaukee picked up the checkered flag, nipping Jerry Richer at the finish line. Richer, starting in the front row, moved out to an early

Bengals Stay In Pennant Race; McLain Wins 13th

DETROIT (AP) — "We're still in it... we have got seven games left with Baltimore and we still have a good chance to catch them."

That was the way Detroit Tiger manager Mayo Smith viewed the American League pennant chase after his club downed the pace-setting Orioles 5-4 Sunday despite a tremendous home run blast by the Orioles' Boog Powell.

"Nobody ever hit me harder," said Tiger pitcher Denny McLain after he survived the Powell blast and went on to chalk up his 13th win — most in the American league — against five losses.

"Just say it was a lazy, 570-foot fly ball," he told newsmen who thronged about his locker Sunday after the Tigers took two out of three from the Orioles in a big weekend series.

Twins Complete Sweep; Take Over First Place

By The Associated Press

The Seattle Pilots had fate on their side, which isn't bad if you can't have... say... Harmon Killebrew. The Minnesota Twins had Killebrew working for them and the way he hits the ball, well, who needs fate?

The Pilots lost two of their starters on first inning injuries against Kansas City Sunday, but replacements Don Mincher and Steve Hovley each delivered three hits in Seattle's 9-3 romp over Kansas City.

Killebrew, leading the majors in runs batted in, clouted a two-run homer that capped a five-run Minnesota rally in the seventh inning and carried the Twins to a 7-6 victory over Oakland.

Pilots Retain Third

Both were important victories with Seattle hanging on to third place in the American League's West Division and Minnesota completing a three game sweep of the Athletics to take over first place in the West.

Elsewhere Sunday, Washington shut out Boston 5-0, New York trimmed Cleveland 4-2, Detroit edged Baltimore 5-4 and California nipped Chicago 2-1.

Seattle regularly platoons Mincher at first base with Mike Hegan, and with left-hander Bill Butler working for Kansas City it was Mincher's turn to sit. But Hegan pulled a leg muscle running out a first inning grounder, and when the Pilots took the field Mincher was the first baseman.

Mincher Explodes

The big guy promptly tossed the lefty-righty strategy for a long loss by tagging two towering 400-foot homers and a double to drive in four runs.

Meanwhile, Tommy Harper, Seattle's center fielder, ran into the fence chasing Mike Fiore's fly in the first, and it took five stitches to close the cut over his right eye. Hovley took over and delivered three straight hits, scoring one run and driving in another.

Killebrew unloaded his 23rd homer of the year, boosting his

RBI total to 82, as the Twins caught the Athletics with a seventh inning rally.

Twins Come Back

Oakland had hopped into a 6-2 lead, three of the runs scoring on Danny Cater's homer. But Minnesota bounced back in the seventh. Leo Cardenas was hit by a pitch and came around on a wild pitch and Cesar Tovar's single. Graig Nettles walked and a pair of infield outs and Tony Oliva's single drove two more in before Killebrew connected.

The three-game sweep moved the Twins two games ahead of Oakland in the West Division race.

Boog Powell walloped a 500-foot homer and Elrod Hendricks also connected for the Orioles, who lost their fourth game in the last five but still lead the American League East by 10 games.

Angels Win

Bubba Morton rapped a two-run homer to give California its victory over Chicago. Tom Murphy earned the triumph with a four-hitter, besting Tommy John in a pitcher's duel.

Bobby Murcer doubled two runs home and then scored the winner on Joe Pepitone's single as New York nipped Cleveland. Mel Stottlemyre went the distance for his 12th victory.

Dick Bosman scattered seven hits and Del Unser drove in three runs with a pair of hits as Washington whipped Boston. Bosman, 6-2, who pitched only his second complete game of the season, also drove in a run with an eight-inning single.

in slowing down the division leaders.

Al Kaline collected No. 11 in the first inning and Dick McAuliffe (10) and Tom Tresh (5) homered back to back off Orioles relief pitcher — and loser of his first game after six straight wins — Dave Leonhard in a big fifth inning.

McLain was the first to agree with Orioles manager Earl Weaver's comment that McLain "did not have his usual good stuff. I've seen him throw a lot better."

Erratic Umpiring

Weaver was unhappy with the work of plate umpire Merlo Anthony, a recent addition to the AL staff.

"Anthony had a funny strike zone out there today. The pitch he called Frank Robinson out on in the ninth was the same one he had been calling a ball all day. If he had been steady all day in his umpiring, I would not say a thing but he was erratic. What hurt most were two he called strikes on Mark Belanger when we had

the bases loaded in the sixth," said Weaver.

"We have had Anthony working before when he called a good game but I don't feel he was consistent today."

In the Tiger dressing room, McLain — although winner of his 13th game — still sizzled about some of the umpiring.

One play in particular that rankled him was a slow roller that Don Buford beat out for a hit in the Orioles seventh — as McLain covered the bag.

Hot Words

A real hot argument followed between McLain and first base umpire Emmett Ashford as Mayo Smith dashed onto the field to cool McLain off. "I agreed with Denny that Buford was out, but my main job was to calm Denny down," said Smith.

McLain touched for 10 hits and falling behind many batters, said Powell's out-of-the-park wallop, a line-drive type was hit on a 3-1 pitch. "I'll always remember that ball the way it zoomed out of her. It was the biggest one I ever gave up and it came on a fast ball inside," he said.

Homers Help

While the Powell long distance clout was the big play of the day, there were many others as the Tigers tied 3-all going into the fifth saw McAuliffe and Tresh, a pair of lefthanders, hit long home run blasts off Leonhard to give the Tigers a 5-3 lead they never surrendered although Elrod Hendricks hit a solo homer in the eighth to make it 5-4.

The Orioles, battling right down to the wire with two out in the ninth, saw Paul Blair draw a walk on a 3-2 pitch that brought McLain in to say a few words to Umpire Anthony. McLain pitching to Frank Robinson, with Powell swinging a big bat in the on-deck circle, went to 3-2 again before he caught him looking at what Anthony ruled was a strike.

Robinson stood at the plate in frustration after disputing the call. Oriole manager Weaver said later he felt the pitch never was over but that time McLain and the Tigers were in the midst of a victory celebration.

National League Leaders Slide Backward In Derby

By The Associated Press

The pennant race has passed them by, but Gary Waslewski and Dick Kelley have discovered the best way to kill time until another one comes along.

While the top teams in the National League slid backward Sunday, Montreal's Waslewski and San Diego's Kelley hurled one-hitters to salvage doubleheader splits for the lowly expansion clubs.

After Philadelphia trounced the Expos 13-2 in their opener, Waslewski zipped past the Phillies 5-0 in 96 minutes, facing the minimum 27 batters in the 1 quickest major league game in two years.

Houston shaded San Diego 3-2 in the first game, but Kelley beat the Astros 1-0 in a 2-01 duel with Jack Billingham, who pitched hitless ball for 6 1/3 innings in his first 1969 start.

Cubs Beaten

Elsewhere, St. Louis toppled Chicago's East Division leaders twice, 4-2 and 6-3; San Francisco swept Atlanta's West Division pace-setters 3-1 and 5-0; the New York Mets downed Pittsburgh 8-7 to tighten the East race and Cincinnati drubbed Los Angeles 8-1 to further snarl the West chase.

Waslewski, a former Boston World Series standout acquired by the Expos from the Cardinals last month, gave up a fifth-inning single by Rick Joseph and walked Deron Johnson in the eighth. Both baserunners were erased in double plays as the 27-year-old right-hander nailed his first victory of the season and first shutout in the majors.

He also produced his first two RBI in the majors with a seventh-inning double.

Stoneman Bombed

The Phillies shelled Bill Stoneman, who pitched an earlier no-hitter for Montreal, and two relievers for 13 runs in the first four innings of the opener and coasted behind rookie Billy Champion. Tony Taylor paced the winners' 16-hit assault with a triple and three singles.

Kelley, a 29-year-old southpaw picked up from Atlanta in the expansion draft, limited the Astros to five walks and an infield hit by Denis Menke in the second inning, registering his first victory since June 4. Ed Spiezio's pinch single delivered the game's only run with two out in the ninth.

Billingham, used exclusively in relief until Sunday, pitched perfect ball for five innings and allowed four hits in all, the first a two-out double by Ollie Brown in the seventh.

Win On Error

The Astros pulled out the opener when Jose Arceia second baseman Jose Arceia let Doug Rader's bases-loaded grounder get past him for an error in the eighth, allowing the tying and winning runs to score.

Veteran Bill White scored three runs and rookie Steve

Huntz knocked in two with a bases-loaded single as the Cardinals tripped the Cubs in their opener. Steve Carlton, 10-5, had a shutout going until the ninth, when he needed relief help from Joe Hoerner.

Mike Shannon's three-run homer, a two-run wallop by Joe Torre and rookie Chuck Taylor's two-hit relief pitching over the final 6 1/3 innings keyed the second game victory, which reduced the Cubs' margin over second place New York to five games.

Giants Take Two

Bobby Bonds provided the power with a two-run homer in each game as the Giants staggered the Braves behind Juan Marichal's five-hit pitching in the opener and Gaylord Perry's four-hitter in the nightcap.

The double setback left Atlanta one-half game up on second place Los Angeles, 3 1/2 ahead of the Giants and four in front of the fourth place Reds.

Donn Clendenen, a former Pirate, drove in four runs with a homer and double, leading the Mets past Pittsburgh for their fifth straight victory.

Clay Carr, Cincinnati's bullpen ace, made the most of his first 1969 starting assignment, holding the Dodgers in check for 7 2/3 innings before tiring. AL Jackson mopped up, protecting Carroll's 12th victory in 16 decisions. Johnny Bench, Pete Rose and Bob Tolman homered for the Reds.

MANISTIQUE

Winners Announced

Ron Johnson Tops In Lumberjack Contest

Winners in various Fourth of July events have been announced by the committees in charge. American Legion Post 83 sponsored the two-day "Americanism" celebration in Manistique.

Ron Johnson of Manistique placed first in two events of the Lumberjack Sawing Contest Thursday night in the A.F. Hall Stadium. Johnson clocked 17 seconds to place first in the buck saw event and bested other contestants in the cedar saw contest with a time of two minutes, six seconds.

Jerry Leach and Ted Foye, both of Manistique, were first in the cross cut event with a time of 28 seconds. First place winners received prizes of \$10. Charles Kendall was chairman of the event.

Queen Pamela Putvin and her court—Cindy Orlich and Davena Patterson—judged the beard contest and chose Leo Wood, neatest beard; Roy Berterley, best moustache; and Tom Rice, most original beard.

In Friday's Fourth of July Parade the U.S. Forest Service's float of "Smokey the Bear" was judged best overall entry and received a grand prize award of \$50.

Other float awards went to the TOPS Club, comic; Boy Scout Troop 402, sponsored by Zion Lutheran Church, religious; Maytag and Furniture, original; Boy Scout Troop 400, Parade Marshal's Award for most patriotic.

Kiddie Parade Winners, announced by co-chairmen Mrs. E. J. Doyle and Mrs. J. P. Quick, went to the following entries:

Ages 1-3, Comic: Kevin Davis. Ed Clement; Prettiest: Kim and Kerry Neville; Original: Billy LaFave and Guy Arnold; Patriotic: Mark Blouin and Mike Hoar.

Ages 4-6, Comic: Jamie Rubick, Tory Holmberg; Prettiest: Robin Ann Welch, Susie Clement; Original: Jimmy LaFave and Jack Swartstrom; Patriotic: Greg Turan, Mary Reed.

Ages 7-9, Comic: Roger Irie, Kathy Pistulka; Prettiest: Judy Burns, Cindy Walters; Original: Valerie Wood, Steve Hugheson; Patriotic: Richard Lynts, Mary Lee Chartier.

Ages 10-12, Comic: Dave Michelson, Marcella Howard; David Lanier, Sue and David Szabo; Prettiest: Lynn, Lisa, Steven, Lori Olson and Patty Hawn; Julie, Bob, Pat and Mike McNamara; Original: Angelique and Tammy Kilmer, Charlene Seymour; Paula and John Quick, Mary Schulze; Patriotic: Brenda Nygard, Nancy Weber, Colleen Fackety, Charles, Susan and Julie Frenette.

Vehicles: David Reid, Robin LaFleur; Prettiest: Teddy Hentschell, David Strasler, Maria Males, Calvin Blowers; Original: Dan Bennett, Tom Schulze, Patrick Waters; Patriotic: Brian Carlson, Judy Martinson, Kelly Jackson.

Pets: Jody, Jill, John Oberry; Charlene Mathson, Tom Broullire; Prettiest: Timmy Weinert, Janice and Joe Prater; Original: Lori, Carla McPhail, Gail Pistulka; Patriotic: Jane Fiegel, Mary Gierke, Brenda Brolin.

Lions Sponsor Coho Contest

The Manistique Lions Club has announced sponsorship of the Second Annual Coho Fishing Contest.

Prizes will be offered for the ten biggest fish caught. A special feature of this year's contest will be a grand prize automatic dishwasher.

Proceeds will go for community betterment projects sponsored by the Lions Club.

Entry tickets are available from any Lions Club member and at many local stores, gas stations, motels and restaurants in the area.

Fishermen wishing to enter the contest must have their fish weighed, minus entrails, at one of four official weighing-in stations and fill in the following information: contestant's name and address, weight of fish to the nearest ounce, date and signature of the individual weighing the fish. Official weigh-in stations are A & P Food Store, Ollie's Red Owl, Norden's Foodland and the Driftwood Motel in Thompson.

Some of the prizes offered include a 5 H.P. outboard motor, spinning reel with rod, portable Hi-Fi and radio, lantern, plus other special items.

Community service projects which the Lions supported last year included a \$100 donation to the MHS band uniform drive; purchase of six pair of eyeglasses and two eye examinations for needy persons; hearing and sight examinations for pre-schoolers; sponsorship of a Babe Ruth baseball team; and the donation of a dog to the Leader Dog School in Rochester for use of a blind person.

Minor Mishaps Are Reported

Several minor accidents were reported by Michigan State Police which occurred Thursday and Friday.

William C. Goldi, 22, of Troy was ticketed for violation of the basic speed law—too fast for conditions—after he lost control of his automobile on a curve and rolled over. The mishap occurred at 8:15 Thursday on County Road 442 in Thompson Township.

Troopers said Goldi and two passengers—David LaLonde of Kenosha, Wis., and John Schneider, 109 S. Fourth St.—were all treated for minor injuries at the Schoolcraft Memorial Hospital and released. The Goldi automobile sustained considerable damage and was towed from the scene of the mishap.

Margaret Nord, 37, of Gulliver was ticketed for making an improper turn after her vehicle was struck by a car driven by Rudolph Indermuehle of Beaver Dam, Wis. Troopers said Mrs. Nord pulled off the U. S. 2 roadway in Doyle Township to make a U-turn and turned into the path of the Indermuehle automobile. No personal injuries were reported.

Malcolm Nelson Jr., 25, Milwaukee was ticketed for improper passing after he attempted to pass a car driven by Gary Lester, 29, Rte. 1, as the Lester vehicle was turning into a private driveway on M-94. The mishap occurred at 3:10 p. m. July 3. Lester received minor injuries which were self-treated, troopers said.

Two car-deer accidents were also reported. A car driven by Edgar Thomas of Chicago struck and killed a deer Thursday on U. S. 2 in Nahma Township. Nancy Cheney, Rte. 1, struck and killed a deer on M-94, Hiawatha Township, July 4 at 6:50 p. m.

Briefly Told

An 11-year-old Ohio camper was treated for burns on his left arm and groin at the Schoolcraft Memorial Hospital Thursday night, state police report. John Mahusky, son of Mr. and Mrs. William Mahusky of Chesterland, Ohio, was burned when a boiling coffee pot on a camp stove overturned. The Mahusky family was camping on the West Shore Campgrounds of the Indian Lake State Park when the mishap occurred at 7 p. m. Thursday.

Ticketed for speeding by Michigan State Police on Thursday and Friday were the following motorists: Richard Thorson, Minneapolis; Guani-vee Hoyt, Garden City; Harry DeCoteau, Oneida, Wis.; William Paul, East Lansing; Roger Pfetzing, Birmingham; Michael Farrell, Hardwood; Richard Twork, Minneapolis; Josiah Carne, Iron River; Douglas Campbell, Norway; and Edmund Rousche, Detroit. Other citations issued included James Stewart III, Fenton, no insurance proof; Orville Blair, St. Paul, Minn., no operator's license and speeding; Constance Chartier, 125 S. Second St., careless driving; Irvin Wyckoff, Gladstone, speeding and no insurance proof; Gerald Lonnstrom, Detroit, speeding and no insurance proof; and Walton Palmer, Flint, no operator's license.

Wuehle Advisor On Ed Reform

Supt. Edwin E. Wuehle of the Manistique Area Schools will be in Lansing July 10-11 to attend a meeting of the Advisory Committee to the Governor's Commission on Educational Reform.

Wuehle was recently named to the committee and is the only Upper Peninsula superintendent on the nine-man board, drawn from the membership of the Michigan Association of School Administrators.

The Advisory Committee was organized to work with the Governor's Commission by supplying information on the following topics:

Objectives of the educational system; more effective use of school facilities; improved use of educational technology; incentives for developing and rewarding excellence in teaching; improved management; a balance of emphasis between college preparatory and vocational education; and a more equitable and adequate system of financing education.

The commission has scheduled hearings relative to the above topics at various state locations, including one tomorrow at Marquette on the Northern Michigan University campus.

Wuehle has been working to coordinate testimony from Upper Peninsula school administrators for tomorrow's hearing.

FOR SALE

Refrigerator, 3-pc. sectional sofa, riding lawn mower plus miscellaneous household items including dishes, curtains, bedding, tools, etc. Beginning today.

Dave Hill Wins Bionic Open Title

FLINT (AP) — Dave Hill is playing golf less and enjoying it more.

The reduced schedule has "helped my confidence, helped my game, helped my golf and helped my family life. The kids don't have to peep around corners to find out what's going on." Hill said Sunday after making the Buick Open his second tour victory of the season.

And he paid tribute to his wife, Virginia, for the new outlook.

My wife had been telling me for years that I'd been working too hard at it," the darkly handsome, outspoken character said. "I'd been playing golf, either playing or practicing for nine years. Every day. Didn't miss a day."

"But I didn't pay any attention to her. What did she know?"

"But after the last tournament last year I was a wreck, mentally, physically, emotional-

Don Meredith Quits Football

DALLAS (AP) — The Cotton Bowl won't seem the same this autumn without the Dandy Man, swashbuckling villain to some and butter-fingered hero to others, calling the shots on the playing field.

Don Meredith announced his retirement from professional football Saturday. For 12 years he was the quarterback in this football mad town—three years at Southern Methodist and nine with the Dallas Cowboys.

He quit at the age of 31—in his prime as a National Football League quarterback. Only last year he was rated as the second best quarterback in the NFL statistically.

The anti-Meredith faction took him apart at every opportunity. They claimed he "choked" in the big games. Anything that went wrong with the Cowboys was Meredith's fault, they claimed, including the narrow NFL championship losses to Green Bay.

The pro-Meredith faction—and there were many supporters—included Vince Lombardi, now coach at Washington, who said Meredith would be one of the "great" quarterbacks in the NFL.

Michigan State and Notre Dame first met in baseball in 1907. They have played 100 games. The Spartans lead the series 51-49.

Mud Hens Split With Tidewater

By The Associated Press

Toledo's Arlo Brunsberg singled home Mike Derrick in the seventh inning of the second game Sunday to give the Mud Hens a 1-6 win over Tidewater and a doubleheader split in International League play.

The split enabled the Hens to move to within 2 1/2 games of front-running Louisville, which dropped a doubleheader to Syracuse, 3-1 and 7-2. Tidewater had taken the first game from Toledo 6-3.

ESCANABA COUNTRY CLUB

LADIES LEAGUE

After regular women's league play, the Escanaba Country Club has been planned. All women members of the club are invited to attend two special dinner events. Reservations must be made at the club house before Tuesday noon, by calling 786-1730. Chief Chef: Ed Bonifas. Steak, cocktail in Elmer Bonifas. Golf event of the Day, June 9. Beat the Champ, Gloria Hamley. Golfing on the left call golfer on the right.

The Ladies League is headed by: M. Wicklander, P. Dyal, G. Lincow, D. Bonifas, D. Courneen, E. Loret, Fearless Leaders: G. Hanley, J. Snyder, N. Travers, C. Lepisto, K. Tockertman, E. Stage, Ole Yellern, S. Fontaine, L. Berglund, M. R. Nelson, M. Christiansen, D. Olsen, E. Clavik, Thirteenth, D. Kivela, S. Shomim, E. Chamberlain, J. Seckinger, J. Baum, T. Scott.

The Barons: C. Baron, E. Larocque, M. Knoll, L. Hendrickson, D. Ferron, N. Belanger, The Whips: G. Hanley, J. Snyder, N. Travers, C. Lepisto, K. Tockertman, E. Stage, Ole Yellern, S. Fontaine, L. Berglund, M. R. Nelson, M. Christiansen, D. Olsen, E. Clavik, Thirteenth, D. Kivela, S. Shomim, E. Chamberlain, J. Seckinger, J. Baum, T. Scott.

The Barons: C. Baron, E. Larocque, M. Knoll, L. Hendrickson, D. Ferron, N. Belanger, The Whips: G. Hanley, J. Snyder, N. Travers, C. Lepisto, K. Tockertman, E. Stage, Ole Yellern, S. Fontaine, L. Berglund, M. R. Nelson, M. Christiansen, D. Olsen, E. Clavik, Thirteenth, D. Kivela, S. Shomim, E. Chamberlain, J. Seckinger, J. Baum, T. Scott.

ESCANABA DAILY PRESS Readers: Special INTRODUCTORY OFFER brings you as much as \$10,400.00 EXTRA CASH WHENEVER YOU GO TO THE HOSPITAL

—Only 25¢ covers your entire family for the first month

- ★ Pays you extra cash at the rate of \$100.00 a week for as long as 104 weeks... for each hospital stay
- ★ Guaranteed renewable for life. At last—a hospital plan that guarantees never to cancel your protection no matter how old you get or how many claims you make

ACT NOW—YOUR ENROLLMENT FORM MUST BE MAILED BY MIDNIGHT SAT., JULY 19, OR IT CANNOT BE ACCEPTED

ONE out of two families will have someone in the hospital this year! It could be you — or some beloved member of your family tomorrow... next week... next month. Sad to say, very few families have anywhere near enough coverage to meet today's soaring hospital costs. These costs have doubled in just a few short years. They are expected to double again in the few years ahead.

Stop for a moment. Think how much a long stay in the hospital will cost you or a loved one. How would you ever pay for costly, but necessary, X-rays, doctor bills, drugs and medicines? What would you do if your pay check stopped, but living expenses kept on going the same as ever? The same rent, phone, food, all the day-to-day expenses that never stop.

What is the average breadwinner to do? We believe we have the answer in the famous Presidential Extra Cash Hospital Plan that

... Pays you \$100.00-a-week tax-free cash whenever you are hospitalized.

What a blessing it is when you know you have an extra \$100.00 cash coming in every week—beginning the very first day you enter the hospital.

Now, Presidential's economy plan enables you to enjoy this protection at once. Because it will NOT cost you \$20.00. It will NOT cost you \$10.00—or even \$5.00. Your special low price is just 25¢ for the first month's coverage for your entire family. Then continue at regular low Presidential rates.

The added protection you NEED!

All benefits of this Presidential \$100.00-A-WEEK Hospital Plan are paid directly to you, in tax-free cash, in addition to whatever you may receive from your insurance with any other company! Spend the money as you see fit—for hospital or doctor bills, mortgage payments—or any necessary but costly extras not covered fully by usual hospital policies.

Everything costs more these days (need we tell you?) and hospital care is certainly no exception! While 7 out of 8 Americans have some hospital insurance, most have found it does not cover all bills that pile up when sickness or accident strikes. That's why Presidential developed low-cost Extra Cash protection that helps you pay hospital costs or other expenses.

You get your \$100.00 per week—TAX-FREE—from your first day in the hospital, and as long as you are confined there, even for 104 weeks, if necessary. And, when you and your insured spouse are hospitalized at the same time for an accidental injury, Presidential pays out an EXTRAORDINARY DOUBLE CASH BENEFIT. You receive not \$100.00, but \$200.00 a week. Your spouse receives not \$100.00, but \$200.00 a week. That's \$400.00 in all, in cash payments to you every week while you both remain in the hospital... even for as long as 2 whole years!

PAYS up to \$10,400.00 CASH for each accident or illness, starting the very first day in the hospital.

PAYS up to \$10,010.00 CASH if you're 65 or over—at the rate of \$700.00 A WEEK for first 13 weeks, and a full \$100.00 weekly while you remain in the hospital thereafter, (for 91 more weeks if necessary)... in addition to whatever benefits you receive from Medicare.

PAYS up to \$41,600.00 CASH when both husband and wife are hospitalized at same time for accidental injury, for as long as both remain in the hospital—at the rate of \$400.00 A WEEK.

PAYS up to \$2,000.00 CASH for complete accidental loss of limbs or eyesight.

PAYS \$100.00-A-WEEK CASH for each pregnancy requiring a hospital stay, when both husband and wife are insured for the entire pregnancy and have Coverage for Children and Maternity Benefits.

PAYS up to \$6,240.00 at the rate of \$60.00 A WEEK when a child goes to the hospital for any accident or illness (when Coverage for Children has been added to the basic plan).

NO age limit—no medical examination required—no salesman will call.

LICENSED BY THE STATE OF MICHIGAN

65 OR OVER? YOU COLLECT UP TO \$10,010.00 CASH IN ADDITION TO MEDICARE BENEFITS

We have designed this plan as the important addition to whatever is paid by Medicare—or health insurance you may have in any other companies. Remember, all checks will be sent directly to you (not to the doctor or hospital), to give you that "extra" help just when you need it most. Use the tax-free cash any way you see fit. And you will be glad to know the checks will be big ones! In addition to what is paid by Medicare, Presidential pays you \$700.00 a week for first 13 weeks, and a full \$100.00 weekly while hospitalized thereafter... for an additional 91 weeks if necessary! You can receive as much as \$10,010.00 for each new illness or injury when hospitalized!

For older folks — greater protection than you ever would have thought possible!

Right now, would advancing age prevent you from getting hospital insurance, or income protection with another company? Or if you could get a policy elsewhere, would you have to pay a big premium for it? Your "life saver" could be this wonderful Presidential Extra Cash Plan—because Presidential welcomes folks of all ages into its Plan. Even if you're 65 or over, even if you're OVER 100—when you go to the hospital you collect \$700.00 a week for 13 weeks and a full \$100.00 weekly while you remain in the hospital afterwards... even for as long as 91 additional weeks!

We can never cancel your policy!

You can count on Presidential's wonderful protection no matter how old you get or how many times you collect from us. It is written into your policy that we cannot cancel your protection after you've made a lot of claims, or become old — or both. It is GUARANTEED RENEWABLE FOR LIFE!

And that's not all. Suppose you have a growing family—this special Presidential Plan (HP35L-868)...

... Pays you \$100.00-a-week cash maternity benefits!

Ordinary hospital insurance may take care of part of your expenses when you go to the hospital to have a baby. But what policy can you think of that gives you cash to help pay all the things you need for the new baby? Now, if both husband and wife are insured for the entire pregnancy and have added Coverage for Children and Maternity Benefits, you get extra cash to use any way you want. If a pregnancy, childbirth or even miscarriage puts you in the hospital for one day, five days, 10 days—as long as necessary—you get \$100.00 a week for every day of your confinement.

All these added cash benefits.

Added cash benefits: Up to \$2,000.00 cash for accidental loss of limbs or eyesight, when the loss occurs any time within 90 days of the accident. The loss of a limb or eyesight is a terrible thing. Nothing can replace the loss, but a check for \$1,000.00 or \$2,000.00 brings peace of mind during the period of adjustment. Added cash benefits: Choose Coverage for Children (with or without Maternity Benefits) and all your dependent, unmarried children from ages one month through 18 years will be covered, too! Presidential pays up to \$6,240.00, at the rate of \$60.00 a week, when your youngster is hospitalized... for removal of tonsils, appendix or any other illness or injury. Yes, you will receive \$60.00 a week cash, week after week while the child is in the hospital, even for as many as 104 weeks!

We pay your premiums when you are not able.

As a special consideration to you, if you — the person to whom the basic policy is issued—are hospitalized just 8 weeks or more, all premiums for you and all Covered Members that come due while you are still in the hospital after this period will be paid by Presidential. And your protection continues as if you were paying the premiums yourself! Then if you leave the hospital and must return for the same condition before you have resumed full normal activities for 180 days, Presidential will again PAY ANY PREMIUMS WHILE YOU ARE IN

THE HOSPITAL—for as long as 104 weeks—for the total confinement! This means you pay no premiums, yet your full protection remains in force—you collect a maximum of \$10,400.00 for the confinement!

These are the ONLY exclusions!

Your Presidential Policy covers every conceivable kind of sickness or accident except conditions caused by: war or any act of war; any mental disease or disorder; where care is in a U.S. Government hospital; pregnancy, except as provided under the Maternity Benefit provision; and expenses resulting from any sickness or injury you had before the Effective Date of your Policy... during the first 2 years only.

This last item is a real help if you already have a health problem. If you are sick before you take out this Policy, you will even be covered for that condition after the Policy has been in effect for 2 years. Meanwhile, of course, every new condition is covered immediately!

Make your decision carefully.

Think how costly a hospital confinement will be. Imagine paying for those indispensable doctor, surgical and nursing services that are not covered by your present insurance.

Would you be able to afford the quiet and privacy of a private room and a private nurse, should you so desire? Or a telephone to keep in touch with loved ones? Or the rental of a TV set to help pass the lonely hours? Who would pay your bills that keep on coming in at home? Many folks have lost their life savings, their cars, even their homes trying to meet such expenses. And no one knows whose turn it will be next.

Why you must act before the date shown on your Enrollment Form—Just a few days from today.

Why do we give you so little time to apply for your insurance policy—only a few days? Because this is a special Enrollment Period—and we must receive your Enrollment Form the same time as all the others in order to pass on to you the savings that come from processing many policies at one time. This highly efficient "Mass Enrollment" method cuts costs to the bone—and the savings are passed on to you!

We mail you the Policy as soon as we receive your Enrollment Form. When the Policy arrives, examine it in the privacy of your own home. Take all the time you need. It's a very short document, and you'll be pleasantly surprised to discover there is NO FINE PRINT. Then—show it, if you wish, to someone you trust. Perhaps your lawyer, accountant, or doctor. Better still—show it to your own insurance man... even though he may very well be working for another company! If he is a personal friend, he has your best interests in mind. So you can believe him when he tells you there is no better bargain available anywhere—at any price!

GRATEFUL POLICYOWNERS PRAISE PRESIDENTIAL PROTECTION

"Let me say the full payment as per the policy was most gratifying. There was doubt in our minds for some time especially where we started with only a first payment of 25¢, but that doubt now has been completely erased. The settlement definitely was in full payment for the time in the hospital and our sincere thanks for the check."

LETHA SCHRECKENGAST, Cedar Rapids, Iowa

"Just a few words to thank you for the prompt manner in which you settled my claim. I certainly will recommend Presidential Life Ins. to my friends."

MRS. SYLVIA LEVIN, Los Angeles, California

Presidential Life rated "A+ Excellent"

Dunne's Insurance Report, the world's largest reporting service, gives Presidential a rating of A+ EXCELLENT. There is no higher rating a company can attain!

Money-Back Guarantee—in case you change your mind.

Even after you mail your Enrollment Form below... even after you examine the Policy in your own home and talk it over with anyone you wish... even after all this you are still free to return the Policy within 15 days of the date you receive it, and your quarter will be refunded at once. There will be no obligation whatever.

Meanwhile, all during the 15 days you are making up your mind—you'll be protected by \$100.00-A-WEEK extra cash benefits just as if you had already said "yes." That's right, you will be covered all this time for any accident or illness which puts you in the hospital, even if you finally decide to return the Policy.

However, after you've seen the Policy for yourself, you will surely agree that this is a tremendous value and you'll want to continue this \$100.00-A-WEEK extra cash protection.

HERE ARE YOUR LOW RATES

The following rate chart shows how little it costs after the first month to cover yourself, your spouse, and any adult dependents. Naturally, at these low rates, we can issue only one policy of this type per person. Each adult, 16 or over, pays the rate shown for his or her age.

Age at Enrollment	Monthly Premium
16-44	only \$3.45
45-49	only \$3.45
50-54	only \$4.45
55-59	only \$4.95
60-69	only \$5.95
70-74	only \$6.95
75 and over	only \$8.95

Only \$2 more covers all your dependent, unmarried children.

... from the ages of one month through 18 years. And then, if you wish, just add \$1 more to that, and you're covered for Maternity Benefits, too! Newborn children are covered automatically at the age of one month—at no additional cost!

NOTE: The regular Monthly Premium shown here (for age at time of enrollment) is the same low premium you will continue to pay; it will not automatically increase as you pass from one age bracket to the next! Once you have enrolled in this Presidential plan, your rate can never be changed because of how much or how often you collect from us — or because of advanced age — but only if there is a general rate adjustment, up or down, on all policies of this type in your entire state!

Act NOW—"Later" May Be TOO Late!

TIME IS PRECIOUS! Act quickly. (No salesman will call.) Get your Enrollment Form into the mail today—because once you suffer an accident or sickness, it's TOO LATE to buy protection at any cost. That's why we urge you to act today—before anything unexpected happens.

THESE 19 QUESTIONS AND ANSWERS

Tell us how Presidential's EXTRA CASH HOSPITAL PLAN gives you the protection you need—at amazingly low cost!

1. How much will my Policy pay me when I go to the hospital? \$100.00 per week—to the full maximum of \$10,400.00 cash. (If you're over 65, you collect to a maximum of \$10,010.00 cash benefits on top of any Medicare benefits. \$700.00 a week for first 13 weeks, and \$100.00 weekly while you remain continuously hospitalized afterwards, for a maximum of 91 additional weeks!) You collect cash not just for yourself, but for all covered members of your family when they are hospitalized! And you collect cash even if you're in the hospital for only one day!

2. When do I collect \$2,000.00 extra cash for accidents? We pay you \$1,000.00 extra cash for complete accidental loss of one hand or one foot or sight of one eye, and \$2,000.00 extra cash for loss of both hands or both feet or sight of both eyes—even if the loss occurs as long as 3 months after the accident.

3. What if I am hospitalized by the same illness—again? You still collect your \$100.00-a-week extra cash to the full maximum of \$10,400.00. You need only to have resumed full normal activities for just 180 days — then if you are hospitalized for the same illness you begin to collect all over again.

4. If I receive more money than my total medical bills — do I keep the "extra cash"? Yes! You certainly do! We always pay you the full \$100.00-a-week — all the way to the maximum of \$10,400.00 cash. And even if your bills add up to just part of that amount, you still keep every dollar of the extra cash—tax-free! That's why this Policy's called an extra cash plan. It's perfectly possible under this plan for you to come out of the hospital with extra dollars you can use for bills, rent, or anything else. And if you already have some health or hospital insurance, it's all the better for you. Because we pay you anyway, on top of what they pay you! On top of Blue Cross, Major Medical, Workmen's Compensation, or whatever insurance policies you have with other companies!

5. Will you pay me \$100.00-a-week cash—even for pregnancy? Yes! Many health plans don't cover pregnancy. But we do, when Coverage for Children and Maternity Benefits are added to the basic plan. You collect maximum cash benefits of \$10,400.00—for pregnancy, childbirth or miscarriage that results in a hospital stay. (Both parents have to be enrolled in this plan for entire pregnancy period.)

6. Do you pay me cash even for my children, too? And... for my "future" children? You collect \$60.00-a-week cash anytime your child goes to the hospital, when Coverage for Children is added to basic plan. A maximum of \$6,240.00 each time, any dependent, unmarried child (ages 1 month through 18 years old) is in the hospital for sickness or injury. And if you have a growing family—as soon as your newborn child's first month old, he too is covered — automatically... at no additional cost to you.

7. Are there times I might collect as much as \$20,800.00... as much as \$41,600.00? There are! Remember, we pay cash not just for you, but for every covered member of your family. So if you or your spouse are hospitalized more than once... or even both of you more than once... or if a child gets sick or has an accident—you could end up collecting \$20,800.00 or more! And that's not the whole story. Presidential gives policyowners an EXTRAORDINARY DOUBLE-CASH BENEFIT. If you and your covered spouse are both in an accident and go to the hospital at the same time... Presidential pays you \$400.00-a-week cash. The amount is paid for as long as both of you remain in the hospital. Even for as long as 104 weeks! You receive up to a maximum of \$41,600.00—to pay for doctor and hospital bills and other expenses resulting from one accident alone! We hope illnesses and accidents don't strike your home—but should something happen, isn't it reassuring to know you're so well protected?

8. Can I spend my cash benefits any way I please? Yes! Spend the money any way you choose. Use it to pay your hospital, doctor, and nursing bills. Use it to pay for rent, food, clothing. Or put it in the bank to replace any savings spent during your hospitalization. All cash comes straight to you (not to doctor or hospital unless you request it) so you alone decide how it is to be spent.

9. Must I pay taxes on the money you send me? Certainly NOT! Every dollar we send you is 100% tax-free.

10. Am I ever allowed to stop paying premiums during a long stay in the hospital—yet still remain fully covered? Yes, you are! All premiums that come due after you—the person to whom the basic policy is issued—are in the hospital just 8 weeks or more... do not have to be paid by you. Yes, even if you are in for months, a year, or longer! We pay all premiums for you, and for all covered members of your family, too, while you remain hospitalized. You aren't expected to pay us back either.

11. How can you give me so much—for so little? Because you buy your Policy directly from the company. You don't deal through middlemen. You eliminate costly processing charges and "red tape" that are included in the cost of most insurance. That's the reason why Presidential can provide you with exceptional high-savings health insurance protection, including a full month's coverage for your family for only 25¢!

12. How do I go about submitting a claim? We invite you to contact CASH BENEFITS HEADQUARTERS direct. Whether you want to submit a claim, or just ask us a question, don't hesitate to contact us. As a Presidential policyowner, you are entitled to prompt, courteous and direct attention at all times... and you will get it.

13. Because Presidential costs less... do I get less protection? Absolutely not. You get more! \$100.00 weekly cash payments for a maximum of 2 years for each hospital stay. And that goes for all covered members of your family. Yet all you pay to put this policy in force for one month is 25¢. And if you want, continue this protection afterwards at the regular low Presidential rate! That's why we urge you—for your own satisfaction—to compare these big cash benefits with any comparable FOR-LIFE clause has been written into your Policy... anywhere. Naturally, at these low rates, we can issue only one policy of this type per person.

14. Now tell me what's the "catch"—what doesn't my Policy cover? Get ready for a welcome surprise. Presidential covers everything except conditions caused by (a) war or act of war; (b) mental disease or disorder; (c) where care is in a U.S. Government hospital; (d) pregnancy except as provided under the Maternity Benefit provision; and (e) any sickness or injury you had before the Effective Date of your policy — but even this last "exclusion" is done away with after you've been a policyowner for only two years. Everything else is definitely covered.

15. Will you cancel my Policy if I make too many claims? Or because of age? No—positively not! Only you can cancel. The company cannot—no matter how many claims you have... how old you get or for any other reason whatsoever. A GUARANTEED-RENEWABLE-FOR-LIFE clause has been written into your Policy.

16. If I'm hospitalized less than a week—do you still pay full? Yes! We pay you every day you're in the hospital. There's no "waiting period" before you start collecting.

17. What are the requirements to enroll in this Extra Cash Hospital Plan? You must not have been refused or had cancelled any health, hospital or life insurance due to reasons of health, and you must qualify during this enrollment period—you must enroll before midnight of the date shown in the Enrollment Form.

18. Besides saving money—are there any other advantages of joining Presidential during the enrollment period? Yes. A very important one is that you don't need to complete a lengthy, detailed application—just the brief Enrollment Form in the corner of this page. Also during this enrollment period there are no extra requirements for eligibility, and no "waivers" or restrictive endorsements can be put on your Policy!

19. How do I enroll? Fill out the brief Enrollment Form and mail it with just 25¢ for the first month's protection for your entire family. Mail to: The Presidential Life Insurance Company of America, Direct Mail Division, 11401 Roosevelt Blvd., Philadelphia, Pa. 19154.
